# 1 - Jayda

Jaden and Syrus were walking around the academy campus which was a whole island.

“Jaden you're the best duelist I've ever seen next to my brother. You should be in Obelisk Blue with him.” Syrus said

“I want to so bad.” Jaden said “But Dr. Crowler won't let me.”

“Too bad you're not a girl because then he wouldn't have a choice” Syrus said.

“Syrus, I don't want to be a girl!” Jaden said “I just have to work my way up.”

All of a sudden Jaden tripped over something.

“Jaden, are you okay?” Syrus said as he rushed to his friend's aid.

“I'm fine” Jaden said as he picked up the item he tripped on. It looked like a dusty old tea kettle. He rubbed the lamp and smoke started to come out. Soon the smoke formed into a genie.

“It's La Jinn the Mystical Genie of the Lamp.” Syrus said

“Who has awoken me from my slumber?” La Jinn said

“Uh Me” Jaden said as he raised his hand.

“Well state your wish” La Jinn said

“Wish?” Jaden asked, puzzled

“He who frees the genie from the lamp gets one wish” La Jinn said

“I thought it was three wishes” Syrus said

“No. That is but a myth. Now state your wish. I don't have all day.” La Jinn said

“I wish I could be in the Obelisk Blue Dorm.” Jaden answered.

“As it is spoken it shall be done.” La Jinn said as put his hands together. Then he turned back into smoke and reentered the lamp as the lamp disappeared.

“That was weird” Jaden said

“Jaden...It's getting weirder.” Syrus said as he pointed at Jaden in fear “You're glowing.”

Jaden was indeed glowing. He was feeling a deep tingling feeling as he glowed. His hair grew longer and become softer almost like it had been brushed and washed and his body began to thin out. There was a pain in his chest as it suddenly pushed into a pair of C-cup breasts, his hips expanded making, and his lower region reworked itself into that of a female. The whole experience made him feel very unpleasant, so unpleasant that he now she fell on her @\$\$\$. Then the glowing stopped and what was left was a girl in an oversized Slifer Red clothes, that were falling off her. Alexis who was looking for Jaden happened to see the whole thing.

“Oh my god!” Alexis said as she came running at Jaden and Syrus “Jaden, are you okay”

“I'm fine” The girl that had been Jaden said then she heard her voice. She nervously looked down at the lump in her shirt. She then felt her long hair and her feminine curves. “No I'm can't be a girl!”

“What's wrong with being a girl?” Alexis asked in defense of her gender.

“There's nothing wrong with it but I'm not supposed to be a girl.” Jaden said, blushing.

“Now what do we do?” Syrus asked.

“I'll take Jaden or should say Jayda to my dorm room to get some fitting clothes then I'll take her Chancellor Shepard's office and I'll give you a call when we're done” Alexis said

“Alexis why can't I just wear my clothes?” Jaden asked.

“Well we could but you need a belt, and at least some underwear.” Alexis said as Jaden thought why she made that wish.

So, Alexis took the female Jaden to her dorm and pulled out a lacy bra and matching panties. She told Jaden to remove her shirt so Alexis could help with the bra. Jaden nervously did so. Once she was wearing the bra, she replaced her boxers with the panties.

“They feel strangely comfortable” Jaden commented.

“Yeah, girls' underwear is more comfortable than guys'” Alexis said as she found a belt. Jaden inserted it and tightened it for her slim waist.

“Good now to call Syrus and tell him that we're ready.” Alexis said as she called Syrus.

Chancellor Shepard was kind of skeptical about the situation. “You actually mean to tell me that this girl is Jaden Yuki??!” he said

“Yes sir” Jaden said

“I see and what proof do you have of this claim?” Shepard asked

“Well I have this” Jaden said as she pulled out the Shadow Charm

"You are Jaden. How did this happen?" Shepard said.

"Well it's a long story" Jaden said as she told Shepard what had happened.

"I see...well we need to give you a new name." Shepard said

"I like Jayda, sir" Jaden said

"Very well, Jayda it is" Shepard said "Now come with me."

Shepard led Jayda to the room where they kept all of the uniforms and presented her with a sleeveless black top, a white and red vest that was also sleeveless, and a red miniskirt. Finally she was given a pair of red boots and gloves.

Jayda was confused and scared. "Why is that uniform red?"

"Because we can't reassign to a new dorm this late in the year." Shepard said. "We had this one girl's uniform after the incident with Miss Saotome."

"Do I have to wear it?" Jayda asked

"Yes, you do. Now hurry up and get changed." Shepard said

"Right here?" Jayda asked

"No in the bathroom...The girl's bathroom" Alexis said as she walked with Jayda to the bathroom.

"Hey Alexis?" Jayda asked as she got in the stall and closed the door

"What?" Alexis asked. "Why do girls always go to the bathroom in groups?"

"Because I...we just do." Alexis said "So do you feel any different mentally?"

"No I don't. Should I?" Jayda questioned as she exited the stall, dressed in her uniform. "How do I look?"

"You look really good in red." Alexis commented.

Soon the girls returned to the Chancellor's office.

"Wow Jayda you look hot!" Syrus said as he received a whack on the head from Alexis.

Syrus's comment made Jayda feel very uncomfortable. She didn't boys thinking she was hot.

---

I don't like Blair's last name, so I'm using the Japanese one

Also before anyone comments about the wish I would like to reiterate that it was that he could be Obelisk Blue. Djinn have weird senses of humor. As a girl Jayda could be in Obelisk Blue but isn't.

## 2 - Jayda Snow

"There's one more thing we need for you, Jayda. You need a last name so no one will know who you are." Shepard said

"How about Snow" Alexis suggested "It's what Yuki means after all so it's basically the same thing"

"Yeah Snow sounds good" Jayda said still feeling awkward about Syrus calling her hot.

Shepard paged Professor Banner. Soon Banner had arrived in the office.

"Hello Chancellor Shepard" Banner said "You wanted to speak to me?"

"Well actually, Lyman, this young lady needs to tell you something" Shepard said pointing to Jayda.

So Jayda explained what had happened to her to Professor Banner. Banner was somewhat surprised.

"Well they say Genies are known to twist your wishes around." Banner said "I guess La Jinn is no exception. On a lighter note I'd like to say that I'm glad you're still in my dorm."

"Professor, do I still get to be with my friends?" Jayda nervously asked.

"If you want to be" Banner plainly said "I know changing your sex is probably hard for you. Speaking of which, we need to have Miss Fontaine measure you so we can get you some new clothes...but that can wait until after dinner. You must be hungry."

The growling in Jayda's stomach easily verified that statement. Alexis then stepped forward "I'll take her to my dorm for dinner. I need to teach her some things about being a girl."

"That is a splendid plan." Banner said "Come on Syrus, back to the Slifer Red Dorm we go."

Alexis took Jayda back to her dorm. On the way she noticed Jayda was still walking like a guy and fell over a few times. Fortunately her instincts told her to put her legs together.

"Does this ever happen to you?" Jayda asked

"No because girls don't walk like that." Alexis said as she helped Jayda up. "You take slow steps and sway your hips."

"But I thought girls only did that to attract guys." Jayda said clearly clueless on the subject.

"No we do it because it makes it easier to walk." Alexis said demonstrating. "Now you try"

Jayda took a deep breath and began to walk like Alexis. It actually was easier to walk like that. The only

bad thing was it got her a few whistles from guys as she walked by making her blush as red as her skirt was.

Finally she made it to the girls' dorm. At dinner Alexis taught her how to sit in a skirt and how to eat properly. They then returned to Alexis's room. Jasmine and Mindy both had dates so they wouldn't be there.

"Thanks, Lex. I don't know what I would do without you." Jayda said. Alexis gave Jayda a friendly hug. This made Jayda blush a little.

"Oh yeah girls can give their friends hugs in without it really meaning anything. It's just a friendly gesture probably sort of the similar to the "chest bump". Alexis said. Knowing this, Jayda hugged back.

"There's one more thing you need to know. It's for when you have your period." Alexis said making Jayda blush again. They discussed that then Jayda went back to the Slifer Red dorm with the pajamas Alexis had let her borrow for the night.

She returned to her dorm room. Syrus was already there.

"Hey Syrus...is Chumley here?" Jayda asked

"I'm here but who are you anyway?" Chumley said from the top bunk.

"Chumley! I told you Jaden is a girl now." Syrus interjected.

"Prove it! Tell me something only Jaden would know" Chumley said being skeptical.

Jayda had to think for a bit. "You told me about your crush on Ms. Dorothy and I swore not to tell" She said.

"JADEN...it is you." Chumley said obviously shocked

"It's Jayda now." Jayda said.

"For an average guy you sure make a pretty girl." Chumley said once again causing Jayda to blush. Yes, she had blushed many times in the past few hours.

"I'm...gonna go to the bathroom...and uh get changed now" Jayda said obviously nervous as she rushed to the bathroom. Once inside she started to put on the pink pajamas. She didn't the color, but at least they had pants. Once she was changed she stepped out wearing said pajamas.

"Uh...Jayda, why are you wearing pink?" Syrus asked

"These were the only thing Alexis had with pants." Jayda said as she got in bed. "I swear I don't know how I would get through this without her."

With that Jayda fell asleep, not knowing what the next day would bring.

Well as you can tell one major change is Jayda remaining in the red dorm. She trusts Syrus and Chumley that would be comfortable with them. As for Zane, I've decided another guy will like Jayda. (Hint: It starts with C and rhymes Jazz).

### 3 - Jayda's First Date

The next morning Jayda woke up and noticed that Chumley and Syrus were already gone. That meant she would have the shower to herself. But, afraid someone would walk in on her; she locked the door to the room.

When in the shower, she found out she had to use half a bottle of shampoo to wash her new, longer hair. Once she was done she wrapped herself in a towel. Then there was a knock on the door.

“Jayda, are you in there?” Syrus called through the door.

“I’m getting dressed” the new girl said

“But I have to go to the bathroom” Syrus said

“You’ll have to hold it then” Jayda said “I’ll be ready soon.”

About 7 minutes later, Jayda opened the door, fully-dressed with wet hair. Syrus ran into the bathroom. Jayda started drying and brushing her hair.

Soon she walked to the lobby for breakfast. It still felt strange having the wind blow on her legs as she walked. She also had to deal with the stares from the various Slifers. At this moment, she wished she could have been in the girls’ dorm. At one point she was pretty much stuck between them until a hand took her and pulled her out. She was surprised to see that it was Chazz.

“Um...hi Chazz” Jayda said

“So how do you like it here?” Chazz asked her as he pulled her aside.

“It’s nice” Jayda said “I feel like I’ve been going here all year”

“Well I was wondering if I could show you around a little bit” Chazz asked

“No thanks” Jayda replied “Alexis already gave me a tour”

“Well how about I take you somewhere tonight?” Chazz asked

“Are you asking me out?” Jayda questioned

“Yes I am” Chazz answered

Jayda mentally cringed at the thought of dating Chazz but knew he would keep asking her unless she said yes. So she decided to give him a try. “I guess so” she said

Soon, Chazz had basically told the whole school. Alexis pulled Jayda to the side.

“So I hear you have a date, tonight.” Alexis said

“How did you find out?” Jayda asked.

“Because Chazz has been telling the whole school” Alexis said. “Why did you say yes?”

“He would have kept asking me. You know how he was with you.” Jayda said, hoping Alexis would understand. Alexis nodded in understanding.

“So what are you gonna wear?” Alexis asked.

“I haven’t really thought about that.” Jayda said “I was thinking about just wearing this.”

“I wouldn’t advise it” Alexis said “How about we go to my room and get you something.”

“Okay we can do that.” Jayda said as they walked over to Girls’ Dorm. Soon after they got there, Jayda was dressed in a red tank top and a denim miniskirt.

“I was hoping for something that was less showy” Jayda said uncomfortable about her cleavage.

“You look fine” Alexis said as she started applying Jayda’s makeup “Red is definitely your color.”

“Why do I need makeup?” Jayda then asked.

“Because it enhances your beauty, trust me” Alexis said and in minutes they were done.

“Are you ready?” Alexis asked

“As I’ll ever be” Jayda said as she went to Chazz’s room and knocked on the door...
