well, not much to say about this. just another sorta angry poem. I was in a bad mood when I wrote the first section, the second section I put there recently just cause I didn't think 12 were enough. well, enjoy!

Chapter 1 - Angel Within

1 - Angel Within

I thought you were the 1

All heartache & haunting dreams had been overcome

But you so unsuspectingly inflict your abuse

You chain me down, clip my wings, & sit my soul beneath you

You treat me like I'm no better than the dirt under your feet

Like I'm a simple germ or a minor disease

You take every tear that falls with no guilt at all

You're simply oblivious to my each & every thought

That's why I keep the true me hidden away

To avert what you may do to render my dismay

There's an angel inside of me that you may never see

She is wiser & so much stronger than what I appear to be

So, may this heartache inside of me continue no more

I will free myself from my mounting remorse

I feel the sorrow and the fury taking hold of me

And to break away from the pain I tear the leash & set me free

I know I will escape from the hurt that takes control

And soon enough you'll see the angel inside my soul
