I like to philosophize in my spare time, and this is the longest one I wrote. It's a little deep, so if you don't get it at first don't worry, I've had to explain it to just about everyone who's read it.

Chapter 1 - Philosophy # 1

1 - Philosophy # 1

If I had nothing,
would I be a pauper?
or a saint?

If I spoke my mind,
would I be a prophesicisor?
or a dreamer?
If I stood by my beliefs,
would I be a hero?
.....or a terrorist?

If I abandoned my concious thoughts and ethics,
if I were to strip away the years of moral lessons
and values veaten into me by life and law, if I
stepped beyond the limitations of my beliefs and
looked upn the plains of eternity, what would I see?
If I looked down upon life, naked as a babe, what
would I see?

Nothing.
