Chapter 1 - One In A Million

1 - One In A Million

How did I get Here?
I turned around and there you were
Didn't think twice
Or rationalize
Cause somehow I knew
That there was more than just chemistry
I mean I knew you were kinda of in to me
But I figured it's just too good to be true

I said pinch me
Where's the catch this time
Can't find a single cloud in the sky
Help me before I get used to this guy

They say that good things take time
But really great things happen
In a blink of an eye
Thought the chances to meet somebody like you
Were a million to one
I cannot beleive it (o woah)
You're one in a million
All this time I was looking for love
Trying to make things work
They weren't good enough till
I thought I'm through
Said I'm done
And stumbled into the arms of the one

You're making me laugh about the silliest stuff
Say that I'm your diamond in the rough
When I'm mad at you
You come with your velvet touch
Can't beleive that I'm so lucky
I have never felt so happy
Everytime I see that sparkle in your eye

I said pinch me
Where's the catch this time
Can't find a single cloud in the sky
Help me before I get to used to this guy

They say good things happen take time

But really great things happen
In a blink of an eye
Thought the chances to meet somebody like you
Were a million to one
I cannot believe it (o woah)
You're one in a million...one in a million
All this time I was looking for love
Trying to make things work
They weren't good enough till
I thought I;m through
Said I'm done
And stumbled into the arms of the one

You're one in a million
