Chapter 1
Sasuke's birthday

"Sasuke-kun, I found another present!" ,Sakura said with a smile giving Sasuke the present. "So...It's from Sofy-chan,eh?"Sasuke said with an impressed smile opening the card. As sasuke opened the card he could see nothing but a dark,black character and some writing.Sasuke held the card up to the light and read "Happy birthday daddy!" Sasuke said it aloud so everyone could hear"Aw!What an adorable little baby boy!"Sasuke said with a happy smile. Sasuke realized something and said,"W-wait a sec! If this says Happy birthday daddy then... Sofy's pre-pre-pre-". Sofy came in with an embarrassed face and interrupted Sasuke. Sasuke asked Sofy"Sofy-chan...are you pregnant?!". Sofy shook her head in embaessment and tried to change the subject"Hey! Um... why don't I check on the cake?! We can't let ourselves go hungry!"

Sakura blurted out angrily"She's what?!" Naruto said amused"Cool! I'm gonna be an uncle!" Sofy ran out the door while noone was looking. She secretly pouted in the kitchen and took the cake out of the oven and served everyone a plate.

Sasuke and Sofy talked secretly about their on the way newborns. Sofy also told Sasuke,"Sasuke...I also wanted to tell you...I'm not just having one...I'm having twins." Sasuke said with happiness"Sofy...I was just embarrassed finding that out with everyone knowing...I'm very happy having these children with you!" Sofy looked puzzled but hugged Sasuke in happiness."I'm also having them in only six months." Sasuke and Sofy just ignored it for a while and enjoyed the party.
