1 - the pain of loss

The Pain of Loss:

A while ago I was told nothing was worse than death, that person was wrong, generally I would not show my emotions but today was different, I felt as if ropes were looped around my soul, they seemed to be controlling my life, the pain was unbearable, hot tears fell from my face to the floor, they dried on my cheeks as they fell, I no longer wanted to love him it hurt too much, suddenly pain clamped down on my heart, it was a

heavy pain not one I never wanted to feel again, it was as if he was trying to kill my soul, but I would not let him succeed even if I was fighting a losing battle, I looked at the floor where I sat and cried, all I could see was a puddle of water, even if these wounds never heal I would do my best to carry on, I had proven that person wrong, there was something worse than death it was the pain of loss.
