1 - what we had.....

WHAT WE HAD.....

i thought it special
i thought it was true
how dumb i was
i believed you
all the lies you told me
all the lies i believed
you said i was special
different from the rest
i believed it but
knew it couldn't be true
coming from you
so many lies in the past
i thought you changed
but i was wrong
you'll never change
you'll always be the same

YOU

you said you loved me
you said you loved me
how could i be so blind
i was blinded by you
you shielded me from the truth
i'll never be loved
not the way i loved you
but you
you push me aside
like yesterdays trash
like you never even cared
cared about me
i thought you did
how stupid i was
HA you care about me
how did i believe

ME

its all about me now
not about you
move on
i dont want see you
i dont want to hear you

you've hurt me too many times
i dont want wanna talk anymore
i've made up my mind
your gone
your history
you'll never be the same
the same to me
how i felt about you
all in the past
its gone
forgotten
