# 1 - Freddy

## Freddy

## By me

If there's one thing to know

It's to not fall asleep

I won't let you go

Your soul I shall keep

I lurk in your dreams

On one single street

You know which I mean

I'm from under your feet

A glove is my weapon

I'll slice you to bits

With four knives for fingers

It's great for kicks

I'll wait `till you sleeping

Then I'll have some fun

I'll come around creeping

And then you'll be done

I have a great fear of something

I won't tell you what

I'll give you a hint though

It's red, orange, and hot

All kids are my children

If they like it or not

If they don't like it, I'll kill them

They'll be gone without a thought

But now my dear children

I leave you to rest

Good night, sleep tight

Have dreams of the best
