1 - The Endless, Empty Hall

The Endless, Empty Hall

I turn left and I turn right

But I can't see where they went

I feel alone without them

But they don't care as much for me

I see no point in talking

I'm always somehow forgotten

I know it's selfish but I want it still

One of the three to be there

when I'm down without asking

Like I've always try for them

Like I said there's no point

I walk alone in a hall...

An endless, empty hall into the night
