1 - vegeta poem

Vegeta the Saiyan prince.

By: Shinzo

Your onyx eyes reflect the dark
The darkness of your soul
You were the prince
You were the king
Your race had been destroyed...
The rage and anger
Ruling you,
Your pride is melting down,
You tried so hard
You got so far
Your self-respect had drowned.
Your pride...
Your pride was high as sky
It can't be crumbled down.
You were the prince
You were the king,
But now it doesn't count
I know inside you hurt a lot
I know you want to cry,
You can not just forget it all
The past can't be denied.
