*An amazing story, although it'll take forever to actually finish it. And I apologize for using some qualities of A New Chance At Life by Arceus-master off of FanFiction.net, but I was inspired by it to write this.*

## 1 - Altomare Crisis

As Ash, Cilan, Iris, Max, May, Dawn, Brock, and Misty travel through the newest discovered region- the Octina Region - , we see a strange figure flying above them, completely invisible. Just as it starts to dive down, Ash's stomach growls, causing everyone to sweatdrop. "Hungry much?" asked Misty. "Oh be quiet Misty," he responded. "Alright, alright," Brock interrupted. "Just settle down and I'll cook lunch." Dawn then broke in: "Um..., can Cilan actually cook?" Brock turned in shock and disbelief. "Whatta' ya' mean 'Cilan should cook'?!" he asked, horribly mimicking a girl's voice at the end. "Well, a while back, I traveled with Ash, Iris, and Cilan." Iris interrupted: "I do believe your exact words were 'Wow. This would beat Brock's cooking by a long shot!' And, if I recall, you agreed, right Ash?"
