It is pretty much a poem about wanting to die.

1 - Gracious Death

I wish i wish , i wish i wish
The kiss of death would cross my lips
Time is gone but i remain
Forever trapped with in this pain
I shall not die for i am cursed
Im everlasting , can't be reversed
So patiently i stay in wait
For that night but it is late
When i am blessed with my demise
That is the night to end my cries
So close to me but yet so far
Like staring up at a falling star
But once that night reaches me
That is when i will be free
I wish i wish , i wish i wish
The kiss of death would cross my lips
I wish i wish , i wish i wish
You'd take the breath from my lips
I wish i wish , i wish i wish
You'd pour the poison in my lips
I wish i wish , i wish i wish
The kiss of death would cross my lips
