Chapter 1 - The angels burden

2

1 - The angels burden

The angel sheds a tear of sorrow
Weeps away for all of mankind
The angel hopes there is a tomorrow
Cause life could end at any time
We never know what lies ahead
Be prepared the wise words said
The angel is surrounded by dark
Her halo above begins to dim
The angel learns life is so stark
She feels the pain gather within
She sees the hate in front of her eyes
She sees us all speak of lies
The angel grows bitter as time goes on
It seems as if she is gasping for breath
The angel feels the pressure upon
Realizing she is the angle of death
