Loving you secretly

Every time you are near... it's like my world stands still
Every time you are near... my pictures of black and white get coloured
Each time your eyes see right through my mind
Even sometimes your elegance makes me feel dishonoured
When ever you touch me the birds sing with me
They say that I'm a fool for loving you secretly
I will tell you someday again, but now I have to lie my way through
You know a little of my feelings, but you all of my past
Maybe I'm lost I am not here
maybe I'm deaf, dumb and blind
Why can't I just rewind and make the mistake go away
I thought I'd lose my feeling by being numb
I had a friend and had more now that has been washed out
I never forget what I lost
Just by loving you secretly...
