**Chapter 3 - lost**

### 3 - lost

I've never been so close before  
It's like I've open the door  
And let you in my world, but I have to break free  
I have no needs to show you my past  
If I know this friendship wasn't going to last  
Even thou I'm to blind to see  
all these sad things  
We live today not yesterday  
This isn't what freedom brings  
I won't tell you my each and every fault  
Cause the ones I've told hurt to much to forget  
And still, I have my regret

You are the person,  
The person that I worship  
Even trusted or loved  
I'm sorry for all the hurt I've caused already  
I'm sorry if I don't tell you everything  
I'm most sorry for the agony that I can't undo  
I know I've lost you  
My world crashes  
But remember I have a weakness for you...
