1 - Do you want to become a hero?

10 great ways of becoming a superhero!

Get a cape that is made from a rich fabric and is nearly as long as you

Put you underwear above you skirt or trousers. Make sure they are very very bright

Put as much gell in you hair as possible. If you hair drops of its ok just wear a mask

Make sure you at least have a six pack body

Revise as many cheesy lines as possible

Make sure your teeth are as white as blank piece of paper

Be sure to wear a costume that sticks to your behind and front

Make sure one of your close family friends get hurt so you can get revenge on your enemy

Pick your enemy wisely, You don't want to end up like Batman and his creepy enemy's

Slap you're self twice across your face. Superheroes belong in comics. Be sure to repeat this as many

times as possible before you go to sleep

This was my first so I hope you enjoyed! Just make sure if you want to be a superhero to read these very carefully maybe analyse it a few times, whatever helps you to remember...
