NARUTO AND THE LEGEND OF THE DRAGON!!!

THIS STORY TAKES PLACE AFTER THE CHUNIN EXAMS NARUTO AND FRIENDS FIND A STRANGE SHINOBI WITH THE SAME PURPOSE AS SUSUKE. KILL ITACHI!!!! AND SO THE STORY BEGINS.

KAKASHI: I know that you ve graduated but its time for one more class only ninja who obtain jonin rank learn this but since you three have power like a jonin I suppose it would be alright if I taught you this.

NARUTO: ALLRIGHT!!!! IS IT A NEW JUTSU LIKE CHIDORI?

KAKASHI: No it s a lesson about spirits that are not well known. Now sit down and listen. Ahem everybody know about the tailed demons like the nine tailed fox and shikaku , but not may know about the three legendary demons. 1: A dragon as powerful as the nine tailed fox 2: Another fox like a copy of nine tails 3: A human the most recently added to this list a lot of people know of him as the demon of the sharingan. Itachi Uchiha. The dragon was sealed in someone at the same time nintails was sealed in naruto. He is a leaf village shinobi by the name of Hitachi(hi-tachi). No one knows of his whereabouts. The other fox was eliminated long ago by the fourth hokage. And itachi whereabouts are also unknown.

SOMEWHERE

HITACHI: It looks like naruto learnd how to harness the nine tailed fox sprit charka that means I must make my self known.

TO BE CONTINUED.

KAKASHI: HUH? How did you know?

HITACHI: The dragon sealed inside me told me. He also tells me that the nine tailed wolf is in the area. TELL ME NOW KAKASHI!!! WHERE IS MILLI CANIAL!!!

KAKASHI(THINKING): He knows about her. How am I going to protect her?

HITACHI: LAST WARNING KAKASHI TELL ME OR ILL TEAR THIS VILLAGE APART!!!!!!

KAKASHI: (ACTIVATES SHARINGAN) Im afraid I can't let you do that.

HITACHI: Ah the sharingan. Have you forgotten I CAN USE ANY KEKEGENKAI!!! (ACTIVATES SHARINGAN)

KAKASHI: This is Hitachi the legendary demon of the flames.

MIGHT GUY: NO WAY. HES USING SHARINGAN HOW?!?!?

KAKASHI: He has the ability to use any ke ke gen kai. He more powerful than sasukes brother Itachi.

MEANWHILE

PEOPLE OF THE VILLAGE: AHHHH RUN THE FOX AND DRAGON HAVE FOUND EACH OTHER!!!!

SASUKE FINDS JARIYA AND KAKASHI.

SASUKE: WHATS THIS BLACK CHAKRA I SEE?

JARIYA: Calm down. Now listen Naruto has released all of the fox's chakra so has his brother Hitachi. At this rate the village should be safe from massive damage. But if Naruto loses control of the power he will die. Sasuke the curse mark do you know how to summon its power?

SASUKE: Somewhat. I haven't mastered it yet.

KAKASHI: just concentrate on what you want from it that's how you use it.

SASUKE: RIGHT:

MEANWHILE AT THE BATTLE

NARUTO:uhh my head WHAT THE? IT S THE NINE TALIED FOX!!!! AND IT S OUT OF ME!?

NINE TALIED FOX: you boy. I m going back inside of you after all the only reason im here is because you summoned all of my power and was knocked out. Now that your awake I must return.(FADES AWAY.)

HITACHI: you win this time but ill be back. (Disappears)

LATER ON THAT DAY

JARIYA: Man Hitachi caused a lot of damage Kakashi, and Naruto have been injured. Hopefully Lady sunate got my message.

SUNATE: Oh I did. I mean how can you miss a big toad calling your name? Anyway let me heal them then we can talk about the problem at hand.

MEANWHILE AT A LOCATION OUTSIDE OF THE VILLAGE

HITACHI: not even my demon body was meant to open six gates. Ill need time to recuperate in the mean time after my body heals ill train for my next attack. Ill be healed in about 3 days. Watch out wolf girl im coming for you.

3 days later

KAKASHI: Thank you sunate I feel much better. Now the task at hand: Finding Hitachi.

JARIYA: That s impossible he could be hiding anywhere its been 3 days his body has healed by now thanks to the dragon. He could strike again at any time.

KAKASHI: I see your point. Then its settled we will watch over Milli until that time comes. And by we I

mean me and Guy you train naruto teach him ragesan.

KAKASHI: Be careful after what Naruto did Hitachi might attack him first.

TO BE CONTINUED.

8 - The plan

NARUTO AND THE LEGEND OF THE DRAGON!!!

HITACHI: Gotta find a way I can beat the fox without beating myself. Well what I should have done was a 5 pronged seal. But jariya would take it off first chance he got. But ill try that next time right now I need to think up a plan. Since I sensed the wolf power I know she learning to summon its power. If I put a 5 pronged seal on it ill never get the wolf. Theres only one way. Im gonna swallow my own pride. Sasukes brother Itachi can help me but ive sworn to kill him. Oh well I want the wolf more than his death. Now to find him. Should be easy with the byakugan.(USES BYAKUGAN) There.

ITACHI: Hmm?

HITACHI AND ITACHI HAVE A STAREDOWN

ITACHI: So, youre the one who can use every ke ke gen kai. Even the sharingan. Tell me can you use illutionary underworld moon?(THE MOVE ITACHI USED ON KAKASHI IN THE SHOW)

HITACHI: Yes. In fact I can hold it for 10 seconds that equals 10 days. But the reason im here is I need you to help me. I know your with the akatski and they want the nine tailed fox. You help me and we succed you can have the fox.

ITACHI: What do you want in return?

HITACHI: THE NINE TAILED WOLF!

MILLI: It s the thunder blade. It can cut through anything.

KAKASHI: Impressive Milli. You have already masterd the teqnuige is most impressive. But still be warned it cant cut through a demon. To beat Hitachi you will need to use every bit of your justu. That includes the byakugan. Just remember he can use that byakugan as well. In rare cases he will mix the sharingan and byakugan together to make the ultimate eye justu.

ABU BLACK OP: KAKAHI!!! ITACHI HAS ATTACKED THE VILLAGE AND HIS PARTNER IS HITACHI!!!!!!

ABU: The Abu black ops have called this meeting to determine the next hokage.

JONIN: Well due to the troubles we've had we need a sonin to have that title.

KAKASHI: I agree. But who? Jariya won't do it. He already said he won't do it. Lady Sunate also said she won't do it and Orochimaru sure isn't going to try to protect the village. That only leaves Hitachi. But I highly doubt that he will do it.

MEANWHILE THE TRAINING GROUNDS

HITACHI: Wow Naruto you have gotten much better since I last saw you. I'd say your level is jonin level you too Milli. Sasuke your level is Jonin as well.

SARKURA: WHAT ABOUT ME!!!

HITACHI: Well your level is chonin level. Your training is nothing compared to what Naruto Milli and Sasuke went through. Make no mistake your chakra level are well beyond your years.

KAKASHI: Hitachi we need to talk.

HITACHI: What is it about.

HITACHI AND KAKASHI TALK ABOUT THE HOKAGE SUBJECT

HITACHI: I'm sorry Kakashi but I must refuse the rank I've taken over training for Naruto Sasuke Milli and Sarkura. I'm sure you will find another. Besides with me Itachi sure won't bother you I can beat him. And I already know the other three sonin won't do it. Maybe later we will talk about this later. I sense another demon's power. It's weaker than mine but it's a dragon. By the power level I'd say it's a four tailed dragon.

Milli: A four tailed dragon? I think I know who it is

HITACHI: I already know who it is. He goes by the Razor Enforcer. The four tailed dragon is the one of the two demons ive sealed. But why is he coming?

RAZOR ENFORCER: Resagu is both something to be proud of yet scornful of.

HITACHI: Both a curse and a blessing. Ask naruto over there he know exactly how we feel. But enough of talking about demons. Milli has been wanting to see you for some time now.

25 - All secrets Revealed

NARUTO AND THE LEGEND OF THE DRAGON!!!

THE NEXT DAY

HITACHI:Wow his arm is broken in many places but this should heal him (DOES A HEILING JUTSU)
There! All fixed!

NARUTO: WOW!!! I FEEL LIKE NEW!!!

HITACHI: Naruto Kakashi tells me you know how to use Rasegan impressive. To master the fourth Hokeges own move. Naruto I think its time you learned everything there is to know about our family starting with our Mother. I never learned her name but she was killed by the fox as for our father hes the one who sealed the fox in you naruto. Our father was the fourth Hokege!

NARUTO: w-what? H-how? You mean my own father sacrificed himself so that we may live.

HITACHI: As painful as it is yes. I remember that night 16 years ago the fox appeared to destroy the village. The reason was something but I never knew what the reason was but the fox is the demon of consaquence in other words where there was pain and greef there was the fox. My demon who somehow resisted my control justu is the demon of death pretty much the grim reaper. Millis demon was the demon of angels who protected the world from the fox. But that night the wolf was held in check by the foxes cunning. Now that you know everything tell me do you still have the dream of becoming hokege?

NARUTO: m-my dream will stand I will NEVER give up of that goal.

HITACHI: Your will is strong just like a shnobis should be. Naruto I feel that you will become the hokege some day! Now since now im a sensai how about I teach you milli and sasuke a new jutsu and give advice about how and when to use it. MILLI SASUKE COME HERE!

MILLI: you called?

SASUKE: Im here!

HITACHI: For starters Milli you will be hunted for the wolf as long as people don t know your inner

demon the pressure will be less but everybody knows the wolf is in you look at you! You have wolf ears and a tail! We need to suppress the demons hold on you a bit.

MILLI: How?

HITACHI: Well im not too sure! Sasuke your chidori is weak your delever speed is far too slow and naruto your rasegan is far to weak add more charkra and condince it more! But I did say id teach you three a new move. Ok its called&.

TO BE CONTINUED HAHA LEFT YOU IN SUSPENCE!!!

26 - Hitachis last battle?

NARUTO AND THE LEGEND OF THE DRAGON!!!

HITACHI: The move is called Ichara. It s a mix of chidori and Rasegan. It is an extrmrely difficult move to learn and it takes about 20 times more charkra than chidori or Rasegan. Sasuke NEVER use sharingan if you use this move! Now watch me.

HITACHI GATHERS CHAKRA IN HIS HAND THEN INTESAFIES IT TO CHIDORI LEVEL WILE SPINNING IT.

HITACHI: Uhhh argh

SASUKE: Even hes having a hard time are we even ready for it?

HITACHI: No youre not but I will teach it to you in times of life and death it may become useful. (THE ICHARA NOW IS COMPLETE. THE CRARKRA SPINS WITH INCREDIBLE SPEED AND LOOKS LIKE LIGHTNING) I- if this move hits your enemy instant death. (out of breath)

SASUKE: Hitachi I need to talk to you.

HITACHI: Sure! Naruto milli go on me and sasuke will be there later to study the ichara! Now what is it sasuke?

SASUKE: I rememberd when you first came here you asked my brother to help you. Why

HITACHI: Itachi? (EXTREMELY ANGRY LOOK IN EYES) I was under Resagus control I had no say in the matter. Sasuke I know of your goal to kill him. Im afraid I will beat you to it.

SASUKE: Why he killed my entire clan.

HITACHI: Im not narutos blood brother im just like Milli I was adopted. Itachi killed my entire clan then

made me watch it with his sharingan! (as hitachis anger rose his power was becoming greater than any other shinobi charka rose from his feet) Hes here somewhere I can feel it!

SASUKE STANDS THERE TERRIFIED OF THE POWER OF HITACHI. THE WHOLE VILLAGE FEELS HITACHI POWER!

KAKASHI: Incredible that power is not of this world! Its not the dragon its Hitachi own power!

MILLI: Naruto what going on?

NARUTO: I have no idea!

SASUKE THINKING: His power is too much to handle. Just being near him is making it hard to stay awake

HITACHI: ITACHI!!!! I KNOW YOU'RE HERE I CAN FEEL THAT COLD STARE!!

ITACHI: (CONSERNED LOOK IN EYE) You're power is greater than anything ive ever seen1

HITACHI: THAT S BECAUSE I OPEND THE SIXTH GATE OF CHOI NOW TOO PUSH THE LIMITS THE SEVENTH OF THE EIGHT INNER GATES OPEN!!!

KAKASHI: STOP IT NOW HITACHI YOU KILL YOURSELF!!

HITACHI: IF IT KILLES ITACHI THEN SO BE IT! NOW THE EIGHTH GATE THE GATE OF DEATH OPEN!!!!

ITACHI: Oh no im

BEFORE ITACHI SAYS THE NEXT WORD HE GET HIT

HITACHI: NOW I SUMMON YOU RESAGU!!

KAKASHI: HIS POWER ALONE IS ENOUGH TO KILL PEOPLE WITH WEAK MINDS!

HITACHI: NOW ICHARA (HITS ITACHI WITH IT)

ITACHI FALLS TO THE FLOOR

HITACHI: (power runs out and is lying on floor) M-milli. Naruto please protect the village for me&
