This is another kikyō poem that I like.

It didn't take as long to write as the other one but it's still good. Please comment

Who am I?

All I want is to know
Who I am?
What I am?
And if I'm really Kikyo.

I was once a living being
And there was a time I was loved
But now I feel so scared to die
And I fear to let myself go.

I was brought back in flames
From a once eternal rest
To everyone I seem so real
But I'm not supposed to exist.

I know not what ties me
Unto this world
Is it something or Someone
I knew in my life?

There are to many questions
And to many lies
All I want is answers,
Who am I?
