**Chapter 1 - Fatass case**

**2**

# 1 - Fatass case

Okay, I can't think of anything for the next chapter of my story, so I'm putting this up in the meanwhile.

Do you have the time  
To listen to me whine  
About there being no food in the fridge?  
I am one of these  
Super Fat Mario bros.  
All blubber to the bone no doubt about it  
Sometimes I give people the freaks  
Sometimes my @\$\$ plays tricks on me  
My weight keeps adding up  
My ankles cracking up  
Am I extremely fat  
I weigh 90 stone

I went to a shrink  
To analyze a dream  
She said it's lack of greens that's keeping me up  
I went to a doc.  
Who watched me round the clock  
He told me that my veins are clogging up  
Sometimes I give people the freaks  
Sometimes my @\$\$ plays tricks on me  
My weight keeps adding up  
My ankles cracking up  
Am I extremely fat  
I weigh 90 stone

My weight's hard to control  
So I'm suing McDonald's  
Sometimes I give people the freaks  
Sometimes my @\$\$ plays tricks on me  
My weight keeps adding up  
My ankles cracking up  
Am I extremely fat  
I weigh 90 stone
