**Chapter 1 - Us**

**2**

## 1 - Us

When were apart I think of you.  
I can't stand to see you with someone else.  
I'm always there to pick up the pieces.  
Sometimes I feel like I confuse my feelings with the truth.  
I used to dream of us but that dream has started to fade.  
I don't want us to die.  
I was always beside you no matter what.  
We may have argued sometimes but we got through it.  
I was nothing before we met.  
I can't take my eyes off you.  
I just want you to know that I LOVE YOU.  
I want you to be happy even if it means that we forget one another.
