My view on Alice in wonderland Characters. I must warn you though. Some of it is somewhat evil. Like the Cheshire Cat poem. I hope you like!

Wonderland Poems

Cheshire Cat

Devilishly smiling all around,
thinks of ways to make people frown,
munching on peppered food,
covering ears from babies voice rude,
he disappears from Alice's sight,
reappearing to give her fright,
giving direction to queens gate,
he awaits Alice's fate,
using his invisible tools,
he desires to make her the fool,
maddening the queen his greatest delight,
people's heads shall take flight.
