<b>Chapter 1 - Lets Run Away</b>	<b>2</b>
<b>Chapter 2 - You</b>	<b>3</b>

# **1 - Lets Run Away**

**Without you, there's no reason to smile  
And with you, I have someone to live for  
So lets run away  
And live happily ever after  
...Together...  
...Forever...  
...And ever...**

**-Dedicated to the one person who feels my life with happiness  
.:Neon:.**

**I love you...**

## 2 - You

You picked me up when I had fallen  
You made me smile when I was sad  
You seem to know all the answers to my questions  
You became a fast friend and then more to me  
You mean the world to me  
...And...  
You are the only person I've cared this much about

-Another piece of crap poetry dedicated to my lover for life, Neon

I love you baby
