1 - Neverending Shadow

neverending shadow

you never go away, you're always just right there...let me be alone I don't want you here with me.

your voice and all your words and your eyes that stare...I don't want you near, you're like a parasitic bee.

Walking alone, a precious commodity..

Your presence unknown, a distant memory....

My path, my own, to you an oddity...

Please just go away, and let me be in peace

Leave me to my own ways, give me back my space

You're like a hellish shadow in this false and sheltered place

Get away from me, I want to go at my own pace.
