1 - Goodbye...

You put me under your curse

By: waterwolf29

The first time I saw you, I was under your curse.

I never knew I was under your stupid curse.

I tried to get your love for me.

You ignored me, and you knew it too.

After 6 years we meet again.

Six years ago, the last day of soccer,

Your curse lifted from me.

But now the curse came back.

I tried to hide it from you.

But you knew along.

Know you saw you love me?

You don't know how much pain I've gone through.

I cried myself to sleep because I knew...

I knew you were going with me then you went off.

When people laughed at you I was there for you.

When people laughed at me you just stared at me

While you were with your friends that laughed at you!

My friends say you re bad news, especially one.

I didn t listen, I wish I did. I m not saying your bad.

I m saying... I surrender.

I can t hold on to you any more.

So... Goodbye... just go already...

I love you...
