Timeless

In all the time I have to lived so far,

I m waiting for those words I care for you. .

It use to seem short period of time when

you weren't there.

But when I'm with you time stops, a minute seems

An hour. An hour seems to be a day.

That's how I feel for you but, even more!

You probably know the surface how I feel for you.

But you don't know the core of my feelings.

People see me as a child

(even though I'm just 11 -_- !) But deep down,

I'm a demon that is ready to rampage but held

In inside.

The clock is ticking, our hearts are pounding...

You and I know one day the clock will stop

Ticking and our hearts will stop pounding.

Well will die *sobs* .

Ryan, you know one day we ll be

out of each other s

Lives.

Before that happens...

I want to say...

I love you.
