1 - failure

Failure

I'm sorry I can't do this:
I'm no help in any way
That I can not prevent turmoil
But cause it all to stay

All you ask I can not do
Can't you tell what you're doing to me?
My burning soul is fading fast
with nothing left to see

why can't I do this anymore?
Where did my skill go?
I can no longer fulfil my dreams
Though I try not to let it show

I'm sorry that I failed you
That I never followed through
I'm sorry I'm not perfect
And not as good as you.
