1 - 'you can't duel anymore...'

Weevil's POV

You walk alone down the street. Someone jostles you. The next thing you know you're on the ground, someone's sitting on your waist, and someone has your deck in their hands. Yugi and his friends walk by, stopping, watching the bigger boys ripping your insect cards to shreds. The one sitting on you gets up, and picks you up. Then you realize your crying.

" Aww, PointDweeb's crying. I'll *help* you, PointDweeb," he said. He punches you in the stomach. He drops you. The cards that aren't ripped up by the bigger boys, they steal. They leave you on the sidewalk. Yugi and his friends help you up, only to have Joey kick you over. You roll away a bit. Tea helps you up.

" Too bad you have no deck anymore Weevil. Oh well, you can't duel anymore" Joey says. You run off. Older boys laugh at you and trip you. You lay on the sidewalk, until someone pokes you. It's a girl with teal hair.

" Hey, you still alive, dude?" she asks, and you raise your head. You're now staring at the most beautiful pair of blue eyes you've ever seen, glittering and shining. Her long teal hair goes to her butt, and it waves around as she moves.

" You're Weevil Underwood, right?" she asks, and you nod. She squeals.

" I can't believe it! Weevil I love you! I've modelled my deck like yours..." she says. You've never seen a girl so obsessed with, well, YOU. You stand up. She's your height.

" My deck was stolen from me..." you say, looking this girl up and down. She wore a red tube top and a black skirt. You think she's pretty cute.

" Oh, poor Weevil..." she says. You immediately find out you like this attention, and her. 'Now you're into girls... Great, Weevil, just great...' you think to yourself. She's hugging you, and you feel like you could melt. It's like heaven, but about 10 times better. You and her walk off. Then you remember something important.

" What's your name?" you ask. She blushes shyly.

" I'm Kira" she says. You nod. You walk her home. She's holding your hand. You have a warm, tingly feeling inside you. You like it.

" Good night Weevil" Kira says. It's night, which you didn't notice until now. She smiles warmly.

" Weevil, I want to fill in the hole those boys left from taking duelling away from you" Kira says, and kisses your lips softly. Then she goes into her house, and you walk home in a stupor. When you get into your room, you sigh.

" Girls are awesome..." you say to yourself.

Next Day

~~~~~

You get up and get dressed. You pull on a green T-shirt and blue jeans. You brush your teal hair and eat breakfast. You run out the door, heading towards Weevil's house. You knock on the door. He opens it. You smile at him. He grins. You and him go for a walk. A lot of guys stare at you and him.

"The hottest chick in the city is Weevil's chick?!" one guy says. Weevil blushes. You laugh. You walk into Yugi's friends. Mai's there, and seeing you, she's not happy. Joey and Tristan can't keep their eyes off you. Yugi's mouth just falls open.

"DANG... the dork's girlfriend..." Tristan and Joey stammer. You love undoing boys like that. You run your fingers through Weevil's hair. Tea stands by Mai, just as angry as her. You look at them.

"Only boy I want is Weevil" you say to them.

"Awww" Joey says, getting hit on the head by Mai. You walk away with Weevil. The two boys who stole/destroyed Weevil's deck were leaning against the wall. You stare at them.

"Sis? What are you doing with PointDweeb?" The bigger one says. Weevil looks at you in shock.

"Dylan, go bug someone else... Shane, you go too" you say. They laugh at you.

"Kira... they're the ones who, uh... stole my deck" Weevil whispers to you. You get real angry now.

"Give me his deck NOW!" you yell at Dylan. He gives you the remaining cards of Weevil's deck.

"Knowing you two, you probably ripped up the rest. GO AWAY" you scream, and they run off, laughing. You give Weevil his deck.

"I'm their sister, but I'm not ANYTHING like them" you say. He nods. Neither of you notice eyes watching you from an alley nearby. Later, as it's night, you go home, but not before kissing Weevil again.
