**Chapter 1 - Pastry**

**2**

## 1 - Pastry

Authors note: another one I made 4 fun ^\_^ PASTRY If the straw hat crew went to a bakery what would they get? Luffy would probably get every thing if he could but Nami told him to limit himself to one thing. So he would probably get a cake because it is the biggest thing he can get, and it is only one thing. If Zoro was there he would probably get a jelly filled doughnut because it is not too big but not too small. Nami would probably get a loaf of bread because its not all full of sugar, she's "watching her carbs". Any way Sanji would probably get a croissant because he is all fancy getting French pastries at least I think they are French. Usopp would probably get a cookie because cookies rock. All of them would at least get something. Later Luffy finishes his cake and before anyone can eat their stuff he grabs the pastries and bread (stupid Nami) and gobbles them all up. Well that was a waste of time just so Luffy could take all the food. Authors note: how was it? It wasn't as good as the other story but I thought it was okay. Comments please!
