Repulsive

My hands are shaking

My mind is quaking

There is hatred in my eyes

This pain is what I despise

I thought you loved me and I sunk right in

But now in my head I see through the entire din

I can't stand it anymore this pain that I feel

It broke my fragile heart, and will never heal

I hate to say but it comes back to this

But to let u know it's not going to be you I miss

I can say, any day, but not in any other way

I hate you I hate you I hate you

I got lost in your spell now you fell down into dark

Now I say

Burn in HELL!!!!!!
