# 1 - Damaged~By:TLC

DAMAGED

BY:TLC

I know I'm kinda strange, to you sometimes  
Don't always say, what's on my mind  
You know that I've been hurt, by some guy  
But I don't wanna mess up this time

[BRIDGE]

And I really really really care  
And I really really really want you  
And I think I'm kinda scared  
Cos I don't want to lose you  
If you really really really care  
Then maybe you can hang through  
I hope you understand  
It's nothing to you

[CHORUS]

My heart's at a low  
I'm so much to manage  
I think you should know that  
I've been damaged  
I'm falling in love  
There's one disadvantage  
I think you should know that I've been damaged

I might look through your stuff, for what I don't wanna find  
Or I might just set you up, to see if you're all mine  
I'm a little paranoid, from what I've been through  
Don't know what you got yourself into

And I really really really care (And I care about you so much)  
And I really really really want you (I really do want you)  
And I think I'm kinda scared (But I'm scared with every touch)  
Cos I don't want to lose you (Cos I don't want to lose you)  
If you really really really care (If you care for me like you say)  
Then maybe you can hang through (Then maybe you can hang through)

I hope you understand (I hope you understand)  
It's nothing to you (It's nothing to you, you)

My heart's at a low (low)  
I'm so much to manage  
I think you should know that (I think you should know)  
I've been damaged  
I'm falling in love (I'm falling in love)  
There's one disadvantage  
I think you should know that I've been damaged (I think you should know that)

My heart's at a low  
I'm so much to manage (I'm so much to manage)  
I think you should know that (I think you should know that)  
I've been damaged (I've been damaged)  
I'm falling in love (I love you so)  
There's one disadvantage (I love you so)  
I think you should know that I've been damaged

And I really really really want you  
And I think I'm kinda scared  
Cos I don't want to lose you  
If you really really really care  
Then maybe you can hang through  
I hope you understand  
It's nothing to you (It's nothing to you)

My heart's at a low  
I'm so much to manage  
I think you should know that (Ooh I think you should know I've been damaged)  
I've been damaged (I've been damaged baby)  
I'm falling in love (Falling in love with you baby, yeah)  
There's one disadvantage  
I think you should know that I've been damaged

My heart's at a low  
I'm so much to manage  
I think you should know that  
I've been damaged  
I'm falling in love  
There's one disadvantage  
I think you should know that I've been damaged

## 2 - Say Ok~By:Vanessa Hudgens

You are fine  
You are sweet  
But I'm still a bit naive with my heart  
When you're close I don't breathe  
I can't find the words to speak  
I feel sparks  
But I don't wanna be into you  
If you are not looking for true love, oh oh  
No I don't wanna start seeing you  
If I can't be your only one

[Chorus]  
So tell me when it's not alright  
When it's not OK  
Will you try to make me feel better?  
Will you say alright? (say alright)  
Will you say OK? (Say OK)  
Will you stick with me through whatever?  
Or run away  
(Say that it's gonna be alright. That it's gonna be OK)  
Say OK.

When you call I don't know if I should pick up the phone every time  
I'm not like all my friends who keep calling up the boys, I'm so shy

But I don't wanna be into you  
If you don't treat me the right way  
See I can only start seeing you  
If you can make my heart feel safe (feel safe)

[Chorus]  
When it's not alright  
When it's not OK  
Will you try to make me feel better?  
Will you say alright? (say alright)  
Will you say OK? (Say OK)  
Will you stick with me through whatever?  
Or run away  
(Say that it's gonna be alright. That it's gonna be OK)

Don't run away, don't run away)

Let me know if it's gonna be you  
Boy, you've got some things to prove  
Let me know that you'll keep me safe  
I don't want you to run away so  
Let me know that you'll call on time  
Let me know that you'll help me shine  
Will you wipe my tears away  
Will you hold me closer

[Chorus]

When it's not alright  
When it's not OK  
Will you try to make me feel better  
Will you say alright? (say alright)  
Will you say OK? (Say OK)  
Will you stick with me through whatever?  
Or run away  
(Say that it's gonna be alright. That it's gonna be OK)  
Say OK  
(Don't run away, don't run away)  
(Say that it's gonna be alright. That it's gonna be OK, don't run away)  
Will you say OK  
(Say that it's gonna be alright. That it's gonna be OK)

### 3 - Pain~By:3days grace

#### Pain

Pain  
Without love  
Pain  
Can't get enough  
Pain  
I like it rough  
Cause I'd rather feel pain than nothing at all

You're sick of feeling numb  
You're not the only one  
I'll take you by the hand  
And I'll show you a world that you can understand  
This life is filled with hurt  
When happiness doesn't work  
Trust me and take my hand  
When the lights go out you'll understand

Pain  
Without love  
Pain  
Can't get enough  
Pain  
I like it rough  
Cause I'd rather feel pain than nothing at all-x2

Anger and agony are better than misery  
Trust me I've got a plan  
When the lights go up  
You'll understand

Pain  
Without love  
Pain  
Can't get enough  
Pain  
I like it rough  
Cause I'd rather feel pain than nothing at all

Pain  
Without love

Pain  
Can't get enough  
Pain  
I like it rough  
Cause I'd rather feel pain than nothing  
Rather feel PAIN

I know, I know, I know, I know that you're wounded  
You know, you know, you know, you know that I'm here to save you  
You know, you know, you know, you know, I'm always here for you  
I know, I know, I know, I know that you'll thank me later

Pain  
Without love  
Pain  
Can't get enough  
Pain  
I like it rough  
Cause I'd rather feel pain than nothing at all

Pain  
Without love  
Pain  
Can't get enough  
Pain  
I like it rough  
Cause I'd rather feel pain than nothing at all  
Rather feel pain than nothing  
Rather feel PAIN

## 4 - In the end~By: Linkin Park

It starts with one thing  
I don't know why  
It doesn't even matter how hard you try keep that in mind  
I designed this rhyme  
To explain in due time  
All I know  
Time is a valuable thing  
Watch it fly by as the pendulum swings  
Watch it count down to the end of the day  
The clock ticks life away  
It's so unreal  
Didn't look out below  
Watch the time go right out the window  
Trying to hold on, but didn't even know  
Wasted it all just to watch you go  
I kept everything inside and even though I tried, it all fell apart  
What it meant to me will eventually be a memory of a time when

I tried so hard  
And got so far  
But in the end  
It doesn't even matter  
I had to fall  
To lose it all  
But in the end  
It doesn't even matter

One thing, I don't know why  
It doesn't even matter how hard you try, keep that in mind  
I designed this rhyme, to explain in due time  
I tried so hard  
In spite of the way you were mocking me  
Acting like I was part of your property  
Remembering all the times you fought with me  
I'm surprised it got so (far)  
Things aren't the way they were before  
You wouldn't even recognize me anymore  
Not that you knew me back then  
But it all comes back to me (in the end)  
You kept everything inside and even though I tried, it all fell apart  
What it meant to me will eventually be a memory of a time when I

Chorus

I've put my trust in you

Pushed as far as I can go

And for all this

There's only one thing you should know (2x) Chorus

## 5 - Until the day I die~By:Story of the Year

Until the day I die  
I'll spill my heart for you, for you  
Until the day I die  
I'll spill my heart for you

As years go by  
I race the clock with you  
But if you died right now  
You know that I'd die to  
I'd die too

You remind me of the times  
When I knew who I was (When I knew who I was)  
But still the second hand will catch us  
Like it always does.

We'll make the same mistakes  
I'll Take the fall for you  
I hope you need this now  
cuz I know I still do.

Until the day I die (Until the day I die)  
I'll spill my heart for you  
Until the day I die (Until the day I die)  
I'll spill my heart for you

Should I bite my tongue  
Until blood soaks my shirt?  
We'll never fall apart  
so Tell me why this hurts so much

My hands are at your throat  
And I think I hate you  
But still we'll say, "remember when"  
Just like we always do, just like we always do

Until the day I die (Until the day I die)  
I'll spill my heart for you  
Until the day I die (Until the day I die)  
I'll spill my heart for you  
Yeah I'd spill my heart!!!!!!  
Yeah I'd spill my heart, for you!!!!!!

My hands are at your throat  
And I think I hate you  
We made the same mistakes  
mistakes like friends do,  
my hands are at your throat  
and I think I hate you  
we made the same mistakes.

Until the day I die  
I'll spill my heart for you, for you

Until the day I die (Until the day I die)  
I'll spill my heart for you, for you  
Until the day I die (Until the day I die)  
I'll spill my heart for you

Until the day I die (Until the day I die)  
Until the day I die!!!!!!

## 6 - Dont tell me~By: Avril Lavigne

You held my hand and walked me home, I know  
Why you gave me that kiss it was something like this it made me go ooh ohh  
You wiped my tears, got rid of all my fears, why did you have to go?  
Guess it wasn't enough to take up some of my love  
Guys are so hard to trust  
Did I not tell you that I'm not like that girl?  
The one who gives it all away, yeah

*[Chorus:]*

Did you think that I was gonna give it up to you, this time?  
Did you think that it was somethin I was gonna do and cry?  
Don't try to tell me what to do,  
Dont try to tell me what to say,  
You're better off that way

Don't think that your charm and the fact that your arm is now around my neck  
Will get you in my pants I'll have to kick your @\$@ and make you never forget  
I'm gonna ask you to stop, thought I liked you a lot, but I'm really upset  
Get out of my head get off of my bed yeah thats what I said  
Did I not tell you that I'm not like that girl, the one who, throws it all away

*[Chorus]*

This guilt trip that you put me on won't, mess me up I've done no wrong  
Any thoughts of you and me have gone away

*[Chorus]*

Better off that way  
I'm better off alone anyway

## 7 - My happy ending~By:Avril Lavigne

So much for my happy ending  
Oh oh, oh oh, oh oh...

Let's talk this over  
It's not like we're dead  
Was it something I did?  
Was it something You said?  
Don't leave me hanging  
In a city so dead  
Held up so high  
On such a breakable thread

You were all the things I thought I knew  
And I thought we could be

*[Chorus:]*

You were everything, everything that I wanted  
We were meant to be, supposed to be, but we lost it  
And all of the memories, so close to me, just fade away  
All this time you were pretending  
So much for my happy ending  
Oh oh, oh oh, oh oh...

You've got your dumb friends  
I know what they say  
They tell you I'm difficult  
But so are they  
But they don't know me  
Do they even know you?  
All the things you hide from me  
All the shoot that you do *[CD version]*  
All the stuff that you do *[radio edited version]*

You were all the things I thought I knew  
And I thought we could be

*[Chorus]*

It's nice to know that you were there  
Thanks for acting like you cared  
And making me feel like I was the only one  
It's nice to know we had it all

Thanks for watching as I fall  
And letting me know we were done

*[Chorus x2]*

*[x2]*

Oh oh, oh oh, oh oh...  
So much for my happy ending

Oh oh, oh oh, oh oh...

## 8 - All the things she said~By:TATU

All the things she said  
All the things she said  
Running through my head  
Running through my head  
Running through my head  
(Running through my head)

All the things she said  
All the things she said  
Running through my head  
Running through my head  
(Running through my head)  
This is not enough

I'm in serious shoot, I feel totally lost  
If I'm asking for help it's only because  
Being with you has opened my eyes  
Could I ever believe such a perfect surprise?

I keep asking myself, wondering how  
I keep closing my eyes but I can't block you out  
Wanna fly to a place where it's just you and me  
Nobody else so we can be free  
Nobody else so we can be free

All the things she said  
All the things she said  
Running through my head  
Running through my head  
Running through my head  
(Running through my head)  
All the things she said  
All the things she said  
Running through my head  
Running through my head  
All the things she said  
All the things she said  
(All the things she said)  
This is not enough  
Ya Soshla S Uma - Ma!  
This is not enough  
All the things she said

All the things she said

And I'm all mixed up, feeling cornered and rushed  
They say it's my fault but I want her so much  
Wanna fly her away where the sun and rain  
Come in over my face, wash away all the shame  
When they stop and stare - don't worry me  
'Cause I'm feeling for her what she's feeling for me  
I can try to pretend, I can try to forget  
But it's driving me mad, going out of my head

All the things she said  
All the things she said  
Running through my head  
Running through my head  
Running through my head  
All the things she said  
All the things she said  
Running through my head  
Running through my head  
All the things she said  
All the things she said  
This is not enough  
This is not enough  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said, she said  
All the things she said  
All the things she said

Mother looking at me  
Tell me what do you see?  
Yes, I've lost my mind

Daddy looking at me  
Will I ever be free?  
Have I crossed the line?

All the things she said  
All the things she said  
Running through my head  
Running through my head

Running through my head  
All the things she said  
All the things she said  
Running through my head  
Running through my head  
All the things she said  
All the things she said  
This is not enough  
This is not enough  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said  
All the things she said.

## 9 - Nobodys home~By:Avril Lavigne

I couldn't tell you why she felt that way,  
She felt it everyday.  
And I couldn't help her,  
I just watched her make the same mistakes again.

What's wrong, what's wrong now?  
Too many, too many problems.  
Don't know where she belongs, where she belongs.  
She wants to go home, but nobody's home.  
It's where she lies, broken inside.  
With no place to go, no place to go to dry her eyes.  
Broken inside.

Open your eyes and look outside, find the reasons why.  
You've been rejected, and now you can't find what you left behind.  
Be strong, be strong now.  
Too many, too many problems.  
Don't know where she belongs, where she belongs.  
She wants to go home, but nobody's home.  
It's where she lies, broken inside.  
With no place to go, no place to go to dry her eyes.  
Broken inside.

Her feelings she hides.  
Her dreams she can't find.  
She's losing her mind.  
She's fallen behind.  
She can't find her place.  
She's losing her faith.  
She's fallen from grace.  
She's all over the place.  
Yeah,oh

She wants to go home, but nobody's home.  
It's where she lies, broken inside.  
With no place to go, no place to go to dry her eyes.  
Broken inside.

She's lost inside, lost inside...oh oh yeah  
She's lost inside, lost inside...oh oh yeah

## 10 - Behind these hazel eyes: Kelly Clarkson

Seems like just yesterday  
You were a part of me  
I used to stand so tall  
I used to be so strong  
Your arms around me tight  
Everything, it felt so right  
Unbreakable, like nothin' could go wrong  
Now I can't breathe  
No, I can't sleep  
I'm barely hanging on

Here I am, once again  
I'm torn into pieces  
Can't deny it, can't pretend  
Just thought you were the one  
Broken up, deep inside  
But you won't get to see the tears I cry  
Behind these hazel eyes

I told you everything  
Opened up and let you in  
You made me feel alright  
For once in my life  
Now all that's left of me  
Is what I pretend to be  
So together, but so broken up inside  
'Cause I can't breathe  
No, I can't sleep  
I'm barely hangin' on

Here I am, once again  
I'm torn into pieces  
Can't deny it, can't pretend  
Just thought you were the one  
Broken up, deep inside  
But you won't get to see the tears I cry  
Behind these hazel eyes

Swallow me then spit me out  
For hating you, I blame myself  
Seeing you it kills me now  
No, I don't cry on the outside

Anymore...

Here I am, once again  
I'm torn into pieces  
Can't deny it, can't pretend  
Just thought you were the one  
Broken up, deep inside  
But you won't get to see the tears I cry  
Behind these hazel eyes

Here I am, once again  
I'm torn into pieces  
Can't deny it, can't pretend  
Just thought you were the one  
Broken up, deep inside  
But you won't get to see the tears I cry  
Behind these hazel eyes

## 11 - Over it~By:Katharine McPhee

I'm over your lies,  
and I'm over your games.  
I'm over you asking me,  
when you know I'm not okay.  
You call me at night,  
and I pick up the phone.  
And though you've been telling me,  
I know you're not alone.  
oh..

That's why  
(your eyes)  
I'm over it  
(your smile)  
I'm over it  
(realize)  
I'm over it  
I'm over it  
I'm over..

Wanting you,  
to be wanting me.  
No that ain't no way to be.  
How I feel, read my lips,  
because I'm so over..  
Moving on, it's my time,  
you never were a friend of mine.  
Hurt at first, a little bit,  
but now I'm so over.  
I'm so over it..

I'm over your hands,  
and I'm over your mouth.  
Trying to drag me down,  
and fill me with self-doubt.  
oh..

That's why,  
(your words)  
I'm over it  
(so sure)  
I'm over it

(I'm not your girl)

I'm over it

[Over It lyrics on <http://www.metrolyrics.com>]

I'm over it

I'm over...

Wanting you,

to be wanting me.

No that ain't no way to be.

How I feel, read my lips,

because I'm so over..

Moving on, it's my time,

you never were a friend of mine.

Hurt at first, a little bit,

but now I'm so over.

I'm so over it..

Don't call,

don't come by,

ain't no use,

don't ask me why,

you'll never change,

there'll be no more crying in the rain.

Wanting you,

to be wanting me.

No that ain't no way to be.

How I feel, read my lips,

because I'm so over..

Moving on, it's my time,

you never were a friend of mine.

Hurt at first, a little bit,

but now I'm so over.

I'm so over it..

I'm so over it....

I'm over it....

Wanting you,

to be wanting me.

No that ain't no way to be.

How I feel, read my lips,

because I'm so over..

Moving on, it's my time,

you never were a friend of mine.

Hurt at first, a little bit,

but now I'm so over.  
I'm so over it..

## 12 - Thinking of You~By:ATC

Thinkin' of you I'm thinkin' of you  
All I can do is just think about you  
Thinkin' of you I'm thinkin' of you  
Whenever I'm blue I am thinkin' of you

No matter how I try I don't find a reason why  
Believe me it's no lie  
I always have you on my mind  
No matter what I see guess where I wanna be  
Love is the answer I will find

Thinkin' of you I'm thinkin' of you  
All I can do is just think about you  
Thinkin' of you I'm thinkin' of you  
Whenever I'm blue I am thinkin' of you

No matter where I go  
This is the only show  
I'd like to be a part  
Come on and take my heart  
No matter where you are  
Baby I can't be far  
Cause I'll be with you all the time

Thinking of you  
Think about you all the time

This feelin' deep inside  
When you're right by my side  
I'll always be with you  
Believe me this is true  
Whenever we apart  
You're deep with in my heart  
Cause you'll be with me all the time

Thinkin' of you I'm thinkin' of you  
All I can do is just think about you  
Thinkin' of you I'm thinkin' of you  
Whenever I'm blue I am thinkin' of you

No matter where I go  
This is the only show

I'd like to be a part  
Come on and take my heart  
No matter where you are  
Baby I can't be far  
Cause I'll be with you all the time

Thinkin' of you I'm thinkin' of you  
All I can do is just think about you  
Thinkin' of you I'm thinkin' of you  
Whenever I'm blue I am thinkin' of you

Thinkin' of you I'm thinkin' of you  
Whenever I'm blue I am thinkin' of you

Thinkin' of you I'm thinkin' of you  
Whenever I'm blue I am thinkin' of you

## 13 - Everywhere I go~By:Katharine McPhee

It's funny how you think you really know yourself  
Like you would never lose yourself to someone else  
And I was up to thinking it was all about you and me  
Silly silly me  
I should have never listened to a word you said  
But I was always giving in to promises  
I never should have gone for  
I should never long for you no matter how hard it gets  
And I want this to be over  
I so want this to be through  
In the end somehow it always comes back to you

Cause everywhere I go  
No matter what I do boy  
I just can't get you out of my head  
So it annoys me  
(You wasn't man enough)  
To come and tell me  
(That I was never the one)  
Like you said I was  
(You could have told someone)  
You knew you didn't love me anymore

If you had only told me how you really felt  
I could have put my feelings into someone else  
But I was busy thinkin' I was where I was supposed to be  
Silly silly me  
But there was something 'bout you that I couldn't resist  
Can't put my finger on it but whatever it is  
I never should have stood for it  
I know you're no good for me  
And that's the way it is

And I want it to be over  
I so want it to be through  
In the end somehow it always comes back to you

Cause everywhere I go  
No matter what I do boy  
I just can't get you out of my head  
So it annoys me  
(You wasn't man enough)

To come and tell me  
(That I was never the one)  
Like you said I was  
(You could have told someone)  
You knew you didn't love me anymore

I tell myself  
Get over you  
It's over right  
Right thing to do  
And just when I thought I was done  
You pull me in for another run  
I can't take this  
I won't take this  
I can't do this  
I Won't do it  
Even if I know in the end somehow it always comes back to you

Cause everywhere I go  
No matter what I do boy  
I just can't get you out of my head  
So it annoys me  
(You wasn't man enough)  
To come and tell me  
(That I was never the one)  
Like you said I was  
(You could have told someone)  
You knew you didn't love me anymore

Cause everywhere I go  
No matter what I do boy  
I just can't get you out of my head  
So it annoys me  
(You wasn't man enough)  
To come and tell me  
(That I was never the one)  
Like you said I was  
(You could have told someone)  
You knew you didn't love me anymore

Cause everywhere I go  
No matter what I do boy  
I just can't get you out of my head  
So it annoys me

## 14 - Peices~By: Sum41

I tried to be perfect  
but nothing was worth it.  
I don't believe it makes me real.  
I thought it'd be easy  
but no one believes me.  
I meant all the things I said.  
If you'd believe it's in my soul,  
I'd say all the words that I know  
just to see if it would show  
that I'm trying to let you know  
that I'm better off on my own.

This place is so empty.  
My thoughts are so tempting.  
I don't know how it got so bad.  
Sometimes it's so crazy  
but nothing can save me  
but it's the only thing that I have.  
If you'd believe it's in my soul,  
I'd say all the words that I know  
just to see if it would show  
that I'm trying to let you know  
that I'm better off on my own.

I tried to be perfect,  
it just wasn't worth it.  
Nothing could ever be so wrong.  
It's hard to believe me.  
It never gets easy.  
I guess I knew that all along.  
If you'd believe it's in my soul,  
I'd say all the words that I know  
just to see if it would show  
that I'm trying to let you know  
that I'm better off on my own.  
I tried to be perfect,  
it just wasn't worth it.  
Nothing could ever be so wrong.  
It's hard to believe me.  
It never gets easy.  
I guess I knew that all along.  
If you'd believe it's in my soul,  
I'd say all the words that I know

just to see if it would show  
that I'm trying to let you know  
that I'm better off on my own.

## 15 - Never Again~By:Kelly Clarkson

I hope the ring you gave to her turns her finger green  
I hope when your in bed with her, you think of me  
I would never wish bad things, but i don't wish you well  
Could you tell, by the flames that burned away

I never read your letter  
'Cos i knew what you'd say  
Give me that sunday school answer  
Try and make it all ok

*[Chorus]*

Does it hurt to know I'll never be there for you  
Bet it sucks, seeing my face everywhere  
It was you, who just ended like you did  
I was the last to know you knew  
Exactly what you would do  
It don't say, you simply lost your way  
She may believe you but i never will  
Never again

If she really knows the truth, she deserves you  
A trophy wife, oh how cute  
Ignorance is bliss  
When your day comes and he'll be through with you  
And he'll be through with you  
You'll die together but alone

You wrote me in a letter  
You couldn't say it right to my face  
Give me that sunday school answer  
Repent yourself away

*[Chorus]*

Does it hurt to know I'll never be there for you  
Bet it sucks, seeing my face everywhere  
It was you, who just ended like you did  
I was the last to know you knew  
Exactly what you would do  
It don't say, you simply lost your way  
They may believe you but i never will  
Never again

*[Bridge]*

Never again will i hear you  
Never again will i miss you  
Never again will i fall to you  
Never

Never again will i kiss you  
Never again will i want to  
Never again will i love you  
Never

*[Chorus]*

Does it hurt to know I'll never be there for you  
Bet it sucks, seeing my face everywhere  
It was you, who just ended like you did  
I was the last to know you knew  
Exactly what you would do  
It don't say, you simply lost your way  
They may believe you but i never will  
I never will  
I never will

Never again

## 16 - no scrub~By:TLC

A scrub is a guy that thinks he's fine and is also known as a buster  
Always thinkin' about what he wants  
He just sits on his (oh his, on his, on his)  
So...(no)

I don't want your number (no)  
I don't wanna give you mine and (no)  
I don't wanna meet you no where (no)  
I don't want none of your time and (no)

I don't want no scrub,  
A scrub is a guy that ain't get no love from me,  
Hanging out the passenger side,  
Of his best friends ride,  
Trying to hollar at me.

I don't want no scrub,  
A scrub is a guy that ain't get no love from me,  
Hanging out the passenger side,  
Of his best friends ride,  
Trying to hollar at me.

And a scrubs is checkin' me,  
But his game is kinda weak,  
And I know he can't approach me,  
Cause I'm looking like class and he's looking like trash,  
Can't get wit' a deadbeat (deadbeat)  
So...(no)

I don't want your number (no)  
I don't wanna give you mine and (no)  
I don't wanna meet you no where (no)  
I don't want none of your time and (no)

I don't want no scrub,  
A scrub is a guy that ain't get no love from me,  
Hanging out the passenger side,  
Of his best friends ride,  
Trying to hollar at me.

I don't want no scrub,  
A scrub is a guy that ain't get no love from me,

Hanging out the passenger side,  
Of his best friends ride,  
Trying to hollar at me.

If you don't have a car and you're walking  
Oh yes son, I'm talking to you,  
You live at home with your momma (I'm talking to you)  
Oh yes son, I'm talking to you,  
You have a shorty but you don't show no love,  
Oh yes son, I'm talking to you,  
Wanna get me with no money,  
Oh no, I don't want no, oh

No scrub, no scrub, no no,  
No scrub, no scrub, no no,

I don't want no scrub,  
A scrub is a guy that ain't get no love from me,  
Hanging out the passenger side,  
Of his best friends ride,  
Trying to hollar at me.

I don't want no scrub,  
A scrub is a guy that ain't get no love from me,  
Hanging out the passenger side,  
Of his best friends ride,  
Trying to hollar at me.
