## 1 - The thought

"Hi guys, I have a feeling there is gonna be love today," sishi said stretching in her pjs. "why's that?" raimundo asked. "I don't know just a feeling," she replied. "well let's get some grub," clay siad. "works for me," raimundo stated running to the kitchen. " and to think he couldn't get wierder," sishi whispered to kimiko. She giggled a bit. " but he still looks.....um uh," kimiko started to blush. "yeah?" sishi asked smiling broadly. "uh...never mind," she answered and walked to the kitchen. Sishi still smiled. "I new she liked him," she said to herself. I'm getting them together, she thought walking to the kitchen herself.
