*"BE QUIET I AM TRYING TO MEDITATE, YOU GUYS DO THIS EVERY MORNING, NOW STOP!!!!!"*

*...silence...as if rite on que gai pops out of the bush*

*"HELLO MY STUDENTS OF YOUTH!!!!!"*

*Gai lookd around to see a shocked tenten, a crying lee, and a pissed off hyuga..yep the day was pretty much the same..but after Lee saw his youthfull sensei has come he emediatly got up.tenten just looked*

at him and glared at neji..neji well, was finally calm...

breaking the silence Gai yelled"ummmm..I HAVE A NEW MISSION FOR YOU!"

"what kind of mission?"tenten asked

"we are sneaking into the village of the sound..we will be disguised..."Gai said in a loud wisper

"...as what?" neji asked anoyed

"neji... you will be a body gaurd, as me and lee are"

"....."

"ahem...what about me?"tenten asked kind of anoyed

"ohh yes of course!,how can i forget my beautiful youthfull flower of-"

"get on with it!"tenten yelled

"yes ma'm..tenten...you shall be Kimoki, the princess of canshing castle!!!"

tenten snorted...than she noticed that he....was telling the truth...

"WHAT?!?!?!?"tenten yelled, wit a bit of a screech in her voice

"ok i said,...tenten you have to be Kimo-"

"i know what you said but why do i have to be the princess?!?!? why cant Lee be the princess?!?!?"

"aww tenten you will make a great princess...and besides would you like to see lee in a Kimono(dress)!!!"

Lee huffed and neji shivered...tenten had a disgusted look in her eyes...then her eyes grew very, very wide.

"I HAVE TO WERE A Kimono!!!?!?!?!?!?!?!?"

"of course tenten!! all princesses wear dresses!!!"

"but Gai!!!"

"yes tenten?"

"..."

***REVIEW!!!!!!***

## 2 - at the mall

they were now on there wonderfull jounry to the mall...(yeah right)

tenten was sobbing the whole way thinking..she was thinking on what her dress would have to look like.  
*'hmmmm.maybe something like..black...or red or something...gosh, i hate this!!!Why me!!why didnt narutos group go on this mission?!?!?im sure Sakura wouldn't mind wearing a Kimono...ughhhh!!the world officially hates me..yepp..and guess what world!!!?!?!? i hate you too!!!*

"tenten..."

*wah?!?!what was that?!?what happened*

"tenten...."

*neji?!?!?oh my god...*

"tenten!!!"

than tenten snapped out of it and turned to the right to see a mad hyuga..a mad hyuga wich she likes...a lot...she didnt no why, but she was madly in-love with that stubern figure that lies before her....but anyway...

"yes neji?!?"tenten asked a little too quikly

"stop daydreaming...were here"neji said with an anoyed voice

tenten looked up to see the biggest mall she has ever seen in her life!!!

"dang..."tenten mumbled

"LETS GO MY YOUTHFULL STUDENTS!!! WE SHALL GO TO THE BEST STORE I KNOW HERE!!!!"Gai sensei said

and they were off.....

they were looking left and right trying to find a decent kimono store..just when

lee gasped...

"oh shoot" tenten and neji spatt out

"GAI SENSEI!!!!GAI SENSIE!!! ITS THE PUPPY STORE!!!!WE MUST GO INSIDE PLEASE PLEASE!!!!"lee pouted making his puppy face, that might i say only a mother can love...or unfortunaly there dear sensei...

"[awww..who](#) can say no to that face?!?!?!?!?!?"gai sensei said with tears in his eyes

neji caughed, wich made tenten giggle, neji turned his head in response and did a little giggling himself

about a half an hour later they were out and lee was pouting because he couldnt get a puppy, he had his

arms crossed and he huffed every now and again..tenten and neji were silently talking in the back about weapons and different tactects you can use in fighting,and neji was injoying himself...yes...maybe the young hyuga prodijy has feelings for a young weapons misstress...who knows?

it was silent for a while until ...of course...Gai had to break the silence...

"THERE IT IS!!!!TENTEN,MY YOUTHFULL FLOWER, YOU WILL GET YOUR BEAUTIFUL KIMONO HERE!!!!"Gai,with tears in his eyes, pointed toward a store call "kimonos r' us"

"oh...my...god..."tenten said getting louder with each word

yes they were very pretty kimonos, but not to tenten. They were dresses for gods sake!!!she just took a deep breath, and silently walked in with her hand behind her head gai sensei and lee eagerly fallowed, neji had his hands in his pockets and he looked bored but inside he was wondering how she would look...(ooooooooohhh)

she actually didn't have to do any of the work, because gai sensei and lee were running around the store picking upp kimonos here to there they all piled them on tenten on the way.. than she was finally to the dressing room..but stopped and looked at all the dresses that were in here hands..she sighed and threw them all in the corner and went off to find her own..there in the corner of the room were kimonos that looked as if the belonged on Barbie dolls

she was walking down one of the isles when she saw something at the corner of her eye.. she turned around quickly and saw it... she actually thought it was ... a little pretty....it was a white kimono with gold laces and it went down to were you can almost see her cleavidge it was slanted from the left knee traveling down to her right foot. It had a cloud on the right side that was outlined with gold also..

so she roughly took it off the hanger and stomped into the dressing room still a little depressed that she has to were a dress...

Gai sensei and lee were waiting paitently with determind looks on there faces..neji..didn't show it but he was quite interested

And then the moment came... tenten slowly walked out of the dressing room....  
It was verry, verry quiet.. just when....

### 3 - The beautiful tenten!!

thank you guyz for the reviews!!!!i came back from chool and it was like bam!!!

lol

well anyway

heres the next chapter!!!!

Gai (of course) shouted "MY BEAUTIFUL FLOWER OF YOUTH HAS FINALLY GROWN INTO A BEAUTIFUL WOMEN OF YOUTH!!!"

tenten sweatdropped

lee had tears in his eyes and pumped his fists in the air "tenten!!!! Gai sensei is right!!! you have sprouted into a young women and soon you will have your first pe-"

tenten didnt let him finish the sentence because she punched him...

neji..oh man....he had his mouth wide open eyes bulging out of his head, his arms were slightly backward as he took a step back in suprise

"...uhhh...yeah...wow" is all neji could say

tenten pouted "do i look that bad to you neji?"

pretty fast neji yelled out "NO!!!"

"okayy then" she said kind of supriised, and happy in the inside

then tenten turned around to see every guy as far as the eye could see staring at her..there were also some boyfriends being smacked, but lets not get into that...then she noticed she forgot after she got out of the dressing room a girl insisted on fixing her hair and putting on a little bit of make up...tenten, didnt exspect this to happen though..she was furiated...

She yelled "STOP LOOKING AT ME!!!!" and then she stomped back into the store to change, fix her hair, and wipe off her make up. when she walked out she emideatly said

"i dont want it.."

"too late" neji said

"why?!"

"because they allready bought it.." he didnt mention the part that it was his idea

"WHAT?!?!? EVERYONE WILL BE STARING AT MEE!!!"

"hn"

tenten turned quikly to glare at Gai and lee

"tenten you look beautiful in that dress!!!! thats why we bought it for you!!!"

"then im not wearing it!!!"tenten pouted

"its a order" gai said

"damn..."

she just grabbed the dress and quickly walked out. neji shrugged and followed, as gai and lee did...she was thinking, how would she get through this?!?!?!and she knew that her mom would also fix up her hair and put make up on her, and it will most likely look way better than how that gurl did it, she just put some eyeliner and lipgloss on her and curled her hair..this is going to be some mission she thought, on there way she saw neji was struggling to say something,

"neji?"

he immediately snapped his head

"what?!?!?"

"are you ok?"tenten couldn't help but let out a little giggle

"hehe..umm.im fine"

"okayyy if you say soo..."

neji means a lot to tenten and she actually was thinking about what neji would say about her look tomorrow she gave a dreamy sigh,neji smirked, she looks cute when she thinks..hell to him she always look cute

he just looked up at the stars and wondered how the mission would go..it was going to be tomorrow after all...

after they said their goodbyes neji silently walked home and fell asleep dreaming about the mission...and maybe other things...(not sick things!!!)

i tried to make it a little longer after they were done at the mall :]

i like typing stories !!!

give me some cool ideas to do in the story ok?!?!?

i still gotta think about my next chapter

so..yeah, till next time!!

-----with tenten-----

tenten woke up early that morning, she slipped out of bed, took a shower, and brushed her teeth. She was on her way to the closet and when she opened it, the day dawned on her, there stood the dress, she glared at it for a moment, sighed and shrugged. She snapped it out of the closet to put it on, she did. she made sure she had her hidden weapons with her, and on her way out she looked in the mirror stoped, looked around to see that know body was there then she blew a kiss at the mirror and giggled all the way down the stairs.

Her mom was in the kitchen, she turned around and looked at her daughter and gasped,

"sweetheart?!?!?! you look beautiful!! this must be for a mission!!! / can't even get you to wear a kimono!! but theres something missing..."her mother sad

tenten gulped

"oh!!!! we must do your hair and you make up!! you will look so beautiful!!!!"her mother spoke

"ughhhh, but mom!"

"no buts!!! now lets do your hair!!!"her mother squealed

tenten crossed her arms and huffed, might as well i mean she is really early, so she just let her mom do her work...

thirty minutes passed

"ok bye huney!! have a nice mission!!!her mother waved as she left"

tentens hair was let down and waivey, it was sprayed with some sparkle spray so it gleamed, she had lip gloss on that was a clear but it just made her lips shine, she had a little bit of coverup on but it wasnt even noticable, she had dark eyeliner and maskara.

when she was walking down the street guys kept on looking at her, a few even asked her out, her face was so red by that time, then she entered the training area and found knowone in sight, she loked at her watch it read 6:15 she didnt know when everyone else arrived because she was usually the last person there, she was guessing that they came at 6:30 so she just sat under a tree and took a nap

-----with neji-----

as usual neji woke up around 6:00 took a shower got dressed brushed his teeth, then ate breakfast, after he was done he walked outside Gai sensei and lee usually arived around 7:00, neji was allways there first and he would train and/or meditate. as he was on his way to the training grounds, when he kept on seeing guys with dreamy looks in their eyes and kept on running into stuff, neji kept on saying the same thing when he saw one of them...'get a girlfriend' but he didnt know who was causing all that camotion he was now in the woods as he entered their training area, yet he saw something that usually wasn't there he looked at a dark figure that lay under a tree, he cautiously wallked over there and halfway he figured out it was his dear team mate ,tenten, asleep..he walked over there and saw how beautiful she

was , and of course the day was the perfect day outside the shade of the trees were everywhere except the light beamed on her face, she looked so pretty neji got rid of his hormones and poked her on the shoulder

"tenten...tenten?...wake upp.."neji wisper

and suddenly her eyes were fluttering open and then she looked up at him and gave a sweet little smile.neji almost had a heart attack

-----normal-----

"neji?" tenten said in a tired voice

"what are you doing here so early?"neji asked as he helped her up

"i woke up early"

"ohh" they were now looking into each others eyes when suddenly...

"MY YOUTHFULL STUDENTS!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!"

neji jumped while tenten gave a loud eep!...yes it was Gai sensei and lee.....

"TENTEN!!! MY FLOWER!!! YOU LOOK SO BEAUTIFUL!!!!"Gai yelled

"GAI SENSIE IS RIGHT TENTEN!!!!"lee yeled pumping a fist into the air

"LEE!"

"GAI SENSIE!"

"LEE!"

"GAI SENSEI!"

sunset, dolphins, ocean view, and a beautifull view (they got the whole she-bang!!!)

neji end tenten sweatdropped, and backed away while Gai and lee were having a 'hugging crying session'

"are my youthfull students ready for our mission?!?!?!?"

"yes we are gai sensei!!!"lee yeld

"hn"

"yeah.."

"i love the enthusiasm!! now lets go!!!" Gai yelled and turned toward the kanoha gates.

-----

**sorry!!! i didnt really exspect it being this short!!!**

## 5 - the rules and arriving

Hi again!!

thank you guyz for all the reviews!!!!

i got so many now!!!

yayz!!

and thank you for all of your ideas!

i actually got a pretty good idea and it kinda relates to all of your guyz ideas!!!

awsome huh?

well anyway,

back to the story!!!!

---

as they were on there way to the Kanoha gates, guys' kept on staring at tenten, and wistling at her. she would blush madly , and neji would give that person a very, very, very cold stare, or just flip them off.they would just start running.they arived at the kanoha gate,

"so gai sensei whats our plan?"tenten asked

"we will enter the villiges main gates and of course you guys will be tentens body gaurds, you need to take you headbands off, so they wont notice we are leaf ninja,we will enter the front gate, as i said before, and head strait toward the palace, he should be located in there somewhere, for tomarows the grand ball, wich tenten will be attending...ummm...uhh oh...."

"what is it?"tenten asked worriedly as she took of her headband

"ummm hehe...umm yeah.. i ..umm, kinda forgot...something...that we have to do...."Gai said getting a little scared

"hn?" neji asked

"yeah, well ummmm... just remember this is a mission..ok-k?"gai was now keeping his distance between tenten and neji

"can you just tell us allready?!?!?!?!?!?"tenten yelled

"ok...here i go....you, neji...will have to be...tenten's....umm how do i say this...*ok gai quik like a bandade...date-to-the-ball!!!!!!!!!!*"

neji and tenten gasped, tenten felt a big rush of blood heading to her cheeks, neji did also, they looked at eachothers faces, *why us?!?!?!?*Gai had his hands over his mouth like he just heard his

mother was getting a divorce, or like he said something really bad...

"w- why?!?!" tenten asked

"its the rules!!! please dont hurt mee!!!"gai sqweeled\

tenten took a dea relaxing breath, as did neji

"Gai sensei..."tenten said calmly

"yes?"

"its, ok..."tenten breathed out

neji nodded and said"its a mission and we have to do it...i think we can pull through.."neji said also calmly

Gai was shocked, he was expecting them to yell at him or eaven get massive weapons throw in his direction, but... no...they were fine with it...wierd, he thought

"can we go now?"tenten asked

"OF COURSE MY YOUTHFULL STUDENT!!!!"gai yelled as he hopped into the trees

they fallowed his direction

30 minutes later they got there, the gaurd stared at tenten, neji glared at him and cracked his nuckles

"r-right, you are the princess kimoki, of canshing castle correct?"the gaurd asked

"yes...i am, now can you let me through?"tenten asked

"only after you tell me who these are?"the gaurd asked suspicioucly

"there my gaurds! you exspect a princess to come without gaurds? you are such a fool! now let us in!"she yelled

"y-yes, m'am"the gaurd said

and the big gates flung open, it was beautifull, there was a fountain in the middle of the place, and then there was a rode with shops, that lined the sides, and the farther you looked the mor elligant it was, there was a humungus castle at the top of a hill at the verry end, tenten smiled

as she walked in, a horse carrage came upp to her it was white and looked verry expensive, she gladly walked in, as did her 'gaurds'

"great job ten-"

lee was cut off my tenten pushing her hand up against his jaw

"lee you bakka! my name is Kimoki!!!"tenten said in a loud wisper

"yes m'am"lee said shutting up

then the carraige stopped, tenten looked out the window and smiled, as did Gai. they walked out of the cairage..

## 6 - the Hotel!

sorry it took a while...well if you call 4 days a while  
well thats a long time for me!  
i have aims testing so yeah  
that will probably not effect my story though  
i dont get homework so yeah  
anyway.....  
story time!!  
:]

---

there it was..their hotel...it was like a sanctuary! tenten smirked then when she took a second look...and got wide eyed like she noticed something.  
"GAI?!?!? WHOS PAYING FOR ALLL THIS?!" she screamed  
gai smirked then showing everyone his thumb he says  
"STUNADE-SAMA!!!!!"he now had a big grin

tenten did the little anime fall thingy...neji looked like he was quite used to houses that big..well he does live in the hyuga mansion! lee was jumping up and down clapping like a little girl. tenten sighed and grabbed her bags as did neji.. Lee was not quite over were the y were staying.

as tenten and neji walked inside there was a large desk right smack-dab in the middle of the room. and two stair cases at each side of the place..there was beautiful rich-like carpet on the ground and a line of flowered carpiting at the beggining of the door that lead to the desk, there three very beautiful a shandaleers at the top of the ceiling..and there was wonderful are and artifacts on the walls..there were some vaces on tables ,also some waiting couches..

tenten took a deep breath and walked forward, neji fallowed. as they arived at the desk the lady looked up at them, and smiled.

"princess kimoki... you will be staying at room 316 on the fourth floor." the lady said

she looked at neji

"this is your body gaurd yes?" neji twiched

"yes"

"than he shall be staying with you?"

yes."

"ok then..here you go" she smiled and handed them two keys

they took them and silently walked up the stairs..

ten minutes later....

"dang!!"tenten said as she finally got to the top floor panting  
"there are so many stairs!!!"she said

(there are no elevators yet!!!)

neji smirked then walked to the right, tenten following

then they approached a door..might i say a very..very.. large door that had the numbers printed 316 on it in fancy letters. tenten smiled and unlocked the door, she silently walked in, then dropped her bags and gasped... it was bigger than her house!!!! it was a beautiful room with wight carpeting and flowers, it had pictures hanging on the wall, of different flowers and nature like things..tenten was delited, she put on a big smile and walked toward a door to see that it lead to her master bedroom. it was also big and elegant. she just sighed, getting used to it all, and slammed her bags on the bed. she plopped on it as well. she looked at the ceiling and smiled, she was starting to like this princes thing.

"man..."

then neji walked in with gai and lee behind her and it looked as if they were pushing neji into the room

"what is it?" tenten asked

"i forgot one last thing!!!!!" Gai said  
"what?!" tenten was worried for her own sake

"there are only two bedrooms!!!!!"Lee yelled  
tenten gasped *why me?*

"you and neji will be sharing a bedroom now have fun!!!!!" gai yelled, pushed neji into the room and slammed the door\  
*what did he mean by 'have fun?'* tenten thought

neji glared at the door for a moment looked at tenten and soffened  
he put his things in the corner  
tenten laughed

"what?"neji not asked but more like demanded  
tenten calmed down

"well your making this situation look all that bad , but hey! atleast we wont be sleeping with Gai or Lee!!"tenten said giggling every few words

neji smirked

"ok" he simply said and walked into the bathroom

tenten looked at the clock and noticed it was already seven o'clock...then she walked up to the dresser to find some silk pajamas....but wait...tenten pulled one out and gasped. *i am not wearing this!!!* it stopped about one foot above the knee. (which is pretty far up if you tell me) it had a V shaped top so you can see most of her cleavage.she blushed madly and ran to her bags. she dug threw all of them looking for some pajamas but found nothing but normal cloths and weapons she groaned

neji walked out of the bathroom, wearing nothing but long black pajama pants..o shirt..it showed of his toned upper area and abs. tenten lushed and looked away. *i have to sleep in the SAME bed as him!!!!* she thought and then she looked at *her* pajamas...her face was now a dark shade of pink as she grapped her pajamas and stomped into the bathroom

"whats her problem.."neji mumbled

boy was he in for it

while tenten was in the bathroom changing she was naming all the curse words in the book and then looked in the mirror..it was very tight, it showed of *her* toned body, and she tried to pull it down but that just made it show more of her breasts so she quikly pulled it back up. i mean sure it was comfotable but not when neji was in the same bed as her!!!! she just slowly walked toward the door and put her hand on the doorknob and twisted it very slowly.. and creaked the door open...

---

haha i love doing this to you guyz!!!!!!!!!!!!!!

well anyway!!

i am going to try and make this story pretty long, so sorry about the short chapters!!!!

well.....
