That's it so far.

Here are some others not from me

My toilet ate it.

My teddy bear ate it.

My dragon torched it.

My cat ate it.

I ate it!

Is this enough? I could go on forever. \*bell rings\* Nevermind.

57) Bob: hmmm..... define homework.

Teacher: Work you do outside of school.

Bob: Define work and do and outside and school.

Teacher: You should know what those mean.

Bob: Well, I don't. I guess you're not a very good teacher since I don't know.

Teacher: (with great irritation) Take a seat.

Bob: But you still haven't told me what the words mean.

Teacher: (Even more irritated) Just take your seat.

Bob: Then will you tell me what those words mean? \*bell rings\* Nevermind. \*leaves with a smug on his face\*

58) \*say really really fast\* I was warped into an alternate dimension by my clock and had to fight demons all night. Then I escaped, but I didn't have enough time to do it...
