**Chapter 1 - Darkness to Light**

**2**

# 1 - Darkness to Light

## Darkness to Light

I see you in the shadows,

I feel you in the dark.

Knowing that you are here for me,

And giving my life the start.

You may be the dark,

And I am the light.

But you do not give me,

One single fright!

When we are together,

I feel I am so strong!

I think we can go on forever,

And never be long gone!

You understand me,

In many ways that are hidden.

I don't think I could live without you,

When you kiss me all of a sudden!

I feel so shy when you are around,

But then it just slips

And then my life turns around!

You give the light

When I am in the dark!

You keep me close,

And I know that I am always in your heart!!
