Hello! I 'm Miyuki-San.My friends are Kanota and Kagami.They are very good freinds.Kanota is very athletic and she loves anime while on the other hand Kagami is laid back and is the peace maker of our friendship.They are the friends that every girl wants.So back to the story.I was walking in to school when Kanota nearly ran into me!She seemed as if she was being chased.Then a second or two later Kagami came running after her.What were you guys doing? i asked .We were playing tag.said Kanota Oh! i said in a surprised voice Well we should get to class .i said You 're right! said Kagami [br]

Miyuki!?! yelled our teacher Sensei. Yes?said Miyuki. Kanota told me you thought teaching as long as I have is easy.Sensei said in a stern voice. You know it was April Fools yesterday. Kanota might have been lying.Miyuki said in a calm voice.Oh!said Sensei in a surprised high pitched voice.Well i'm going to catch up with Kanota and Kagami...Bye!and with that I walked out of the room.Kagami went home while I went to Kanota and her sisters house.We called Kanota and told her to come over to Kagami's house but she said she was sohot from the summer sun she didn't want to move. Then we told her we baked cookies so of course she got up and came over.
