## Tears

Tears are used to express so much the happiness of a new born baby. The hate and rage of your loved one killed and the sadness of your mother's funeral.

Tears flow into rivers which fill canyons, washing away doubts and despairs thus giving birth to new happiness.

I can see tears every were running down others faces, but why can't I? Why must I cry on the inside? Why am I dammed to never show my feelings? Why can't the pure flawless crystals fall from my face and wash my pain and sadness? Why when I look in the mirrors stranger pears back? Why can't I cry? Why can't I shed a single tear?
