Chapter 1 - the songs

2

1 - the songs

Azula's:

perfect by nature
icons of self indulgence
just what we all need
more lies about a world that

never was and never will be
have you no shame don't you see me
you know you've got everybody fooled

look here she comes now
bow down and stare in wonder
oh how we love you
no flaws when you're pretending
but now i know she

never was and never will be
you don't know how you've betrayed me
and somehow you've got everybody fooled

without the mask where will you hide
can't find yourself lost in your lie

i know the truth now
i know who you are
and i don't love you anymore

it never was and never will be
you don't know how you've betrayed me
and somehow you've got everybody fooled

it never was and never will be
you're not real and you can't save me
somehow now you're everybody's fool

Azula: thats not my song *shoots lightning*

Me: nah nah na boo boo

Aang's:

I'm so tired of being here
Suppressed by all my childish fears
And if you have to leave
I wish that you would just leave
'Cause your presence still lingers here
And it won't leave me alone

These wounds won't seem to heal
This pain is just too real
There's just too much that time cannot erase

When you cried I'd wipe away all of your tears
When you'd scream I'd fight away all of your fears
And I held your hand through all of these years
But you still have
All of me

You used to captivate me
By your resonating life
Now I'm bound by the life you've left behind
Your face it haunts
My once pleasant dreams
Your voice it chased away
All the sanity in me

I've tried so hard to tell myself that you're gone
But though you're still with me
I've been alone all along

Aang: I like it

Me: so do I *cries*

kataras:

(Na, na, na, na, na, na!
Na, na, na, na, na!)

I didn't count this!
For my very first kiss!

Livin' the paths we choose.
But there's so much we could loose!

Team Up!

(Team up!)
Are you up for it?
Put your hands in mine,
It's a perfect fit!

Team Up!
(Team Up!)
'Cause it's up to us!
It's hard to save the world,
When you've fallin' love!

(Na, na, na, na, na, na!)

If we all work together,
We can put it together,
And we'll go up, up, up!

Team Up!
(Team Up!)
Hope it's not too late!
We could save the world,
If we collaborate!

Team Up!
(Team Up!)
'Cause it's up to us!
And it's hard to save the world,
It's hard to save the world!
When you've fallin' in love!

(Na, na, na, na, na, na!)

Katara: O.o

Zuko:
Where is the moment when needed the most
You kick up the leaves and the magic is lost
Tell me your blue skyies fade to grey
Tell me your passion's gone away
And I don't need you to carry on
Your standing in line just to hit a new low
Your faking a smile with the coffee to go
Tell me your life's been way off
line
You're falling to pieces every time
And I don't need you to carry on
(chorus) Cause you had a bad day,
you're taking one down
You sing a sad song just to turn it around
You say you don't know, you tell me
don't lie
You work on a smile and you go for a ride
You had a bad day, the camera don't lie
You're coming back down and you really don't mind
You had a bad day... you had a bad day
Well you need a blue sky holiday
The point is they laugh at what you say
And I don't need you to carry on
(repeat chorus)
(bridge) Sometimes the system goes on the blink and the whole thing it turns out
Wrong
You might not make it back and you know that you could be well all that
Strong
And I'm not wrong
So where is the passion when you need it the most
Oh you and I
You kick up the leaves and the magic is lost
(repeat chorus)
Zuko: why me
Me: your cute *runs after him*
sokka's:

Don't know where it goes
But it's home to me and I walk alone
I walk the empty street
On the Boulevard of Broken Dreams
Where the old friends
and I'm the only one and I walk alone
I walk alone
I walk alone
I walk alone
I walk a...

My shadow's the only one that walks beside me
My shadow heart's the only thing that's beating
Sometimes I wish someone out there will find me
Till then I walk alone

Ah-ah, Ah-ah, Ah-ah, Ah-ah-ah,
Ah-ah, Ah-ah, Ah-ah

I'm walking down the line
Till I get lost in someone's in my mind
On the border line
Of the edge and where I walk alone
Head between the lines
What's kicked up and everything's airtight
Check my vital signs
To know I'm still alive and I walk alone
I walk alone
I walk alone
I walk alone
I walk a...

My shadow's the only one that walks beside me
My shadow heart's the only thing that's beating
Sometimes I wish someone out there will find me
Till then I walk alone

Ah-ah, Ah-ah, Ah-ah, Ah-ah-ah,
Ah-ah, Ah-ah

I walk alone
I walk a...

I walk the empty street
On the Boulevard of Broken Dreams
Where the old friends
and I'm the only one and I walk a...

My shadow's the only one that walks beside me
My shadow heart's the only thing that's beating
Sometimes I wish someone out there will find me

Till then I walk alone...
