Feels like the weight of the world,  
Like that I should know the way.  
Don't stop to me, I know I can't let you  
Go in my sleep, can you be real?  
Freaked, freaked, all through the  
If you love me, then let go of me,  
I won't be held down by what I used to be,  
She's nothing to me.  
Feels like the weight of the world,  
Like all the something's are gone without  
And oh, I know you don't believe in me,  
So in my sleep, how can you see?  
Freaked, freaked, all through the  
If you love me, then let go of me,  
I won't be held down by what I used to be,  
If you love me, then let go of me,  
I won't be held down by what I use  
If you love me, then let go of me

shipping song: why don't you kiss her by Jesse McCartney

We're the best of friends  
And we share our secrets  
She knows everything that is on my mind  
Lately somethings changed  
As I lie awake in my bed  
A voice here inside my head  
Softly says

Why don't you kiss her  
Why don't you tell her  
Why don't you let her see  
The feelings that you hide

'Cause she'll never know  
If you never show  
The way you feel inside

Oh im so afraid to make that first move  
Just a touch and we  
Could cross the line  
Everytime she's near  
I wanna never let her go  
Confess to her what my heart knows  
Hold her close

Why don't you kiss her  
Why don't you tell her  
Why don't you let her see  
The feelings that you hide  
'Cause she'll never know  
If you never show  
The way you feel inside

What would you say  
I wonder would she just turn away  
Or would she promise me  
That she's here to stay  
It hurts me to wait  
I keep asking myself

Why don't you kiss her (tell her you love her)  
Why don't u tell her (tell her you need her)  
Why don't you let her see  
The feelings that you hide  
'Cause she'll never know  
If you never show  
The way you feel inside...

Why don't you kiss her?

shipping song:

far longer than forever

Far longer than forever  
I'll hold you in my heart  
It's almost like you're here with me  
Although we're far apart

Far longer than forever  
As constant as a star  
I close my eyes and I am where you are

Sure as the dawn brings the sunrise  
We've an unshakable bond  
Destined to last for a lifetime and beyond

Far longer than forever (Far longer than forever)  
Like no love every known  
And with your love I'll never be alone

Far longer than forever (Far longer than forever)  
Like no love every known  
And with your love I'll never be alone

Far longer than forever  
Much stronger than forever  
And with your love I'll never be alone

Never, never be alone  
Never, never be alone  
Far longer than forever
